SCHOOL ELECTION THIS FRIDAY

WHAT'S GOING ON AROUND TOWN

By BILL KATZ

Destroying politico's campaign posters seems to be the thing to do during this pre-election season. Latest outbreak occurred last Sunday when some unidentified character was seen by Leon Herscowitz, 109 Parkview, tearing down the "Spillers for Sheriff" poster at Beta and Mission. Police arrived too late to apprehend the vandals, but Herscowitz reports he saw a poster for another candidate for sheriff on the fleeing thug's car.

With the drop in the used car market, police have a real problem on their hands. Chief W. W. Sunderland reports that each week his office receives calls complaining about jalopies parked and deserted in front of someone's house. The owners evidently figure they can't get anything for the wrecks, and rather than to continue driving them, they abandon the machines. Chief Sundarland says he doesn't know how many of the old cars have been scuttled in Daly City, but he reports there are close to 3,000 such derelicts in San Francisco.

Gulley Jimson was an artist who enjoyed life, painting, women and very little else . . .which may be more than enough, after all. During our wanderings around Daly City we've seen the shades of dear raucous Gulley in such as John Kantor, Val Balbi, "Smitty" and numerous other gentlemen whose faith in life is reassuring in an atomic age.

We speak of Gulley in the past, although he is alive, and will remain so as long as readers take heed of his activities in the novels of Joyce Cary. Cary's recent novel, "The Horse's Mouth," traces the activities of Gulley during his latter years when he wandered up and down England seeking the right wall and money to paint his "Fall of Man." The peppery, bowlegged little man finally finds the wall, paints his picture, and dies as the city condemns the wall as unsafe, and teams it down. That is the basic plot of the book; but the true story revolves around the comic, lawless characters who spit in the eye of society.

In this age of authority and regimentation this is a good book to read. It reminds one that there is nothing more amusing than the individual, more petty, more grand. For Gulley is individualism personified, but in his cheerful indignation at neglect and bawdiness.

In closing this brief summary, we'd suggest that anyone in agreement with these words of Gulley should read the "Horse's Mouth." . . . Gulley says of the enternal female, "No woman really gets old inside until she's dead . . . or takes to bridge."

By way of a plug for a movie, we'd recommend that the younger generation, who think they understand comedy, take in the re-release of Charlie Chaplain's film, "City Lights." This is one of the little man's best, and puts to shame the efforts of latter day comedians who have to resort to Joe Miller jokes and television. Chaplain is the enternal comic, in that he appeals to the humor and pathos in us all. We guarantee that no one, and we mean you, can see "City Lights" without spending at least half their time doubled over in a good old fashion belly laugh.

The boys who swing the bat and field, and need we say, pitch on the Jeff High baseball team are really showing the Peninsula how to play ball. They're entering the finals of the PAL league this week and next week. Chances are they'll walk off with the league championship, unless South City slips in via the back door. This isn't news to anyone who reads Milton Tromborg's column on the sports page, but for those who never get off the society page we hereby inform them that Daly City can brag of some of the best baseball talent in the state. And if you doubt us, watch the lineup in the major leagues during the next four or five years. We're betting some of the lads who will be giving their all for Jeff this week, will soon be going out for good, cold cash in the east before long. Most of the credit can go to Coach Glenn South; and Joe Sarto, who trained many of the boys on his team during the formative early teens.

Annual Novena At O.L.P.H. Church Begins Sunday

Rev. A. P. Wagner

The annual Novena in honor of Our Lady of Perpetual Help will be held at the OLPH church beginning Sunday, May 21 to Monday, May 29.

Rev. Alvin P. Wagner, diocesan missionary, will conduct the services and preach a series of nine sermons.

During the Novena, the masses on Sunday will be at 6:30 a.m. and 8:30 a.m. Also, there will be services each evening beginning at 8 o'clock.

The services include community prayers, hymns, a sermon and benediction of the Blessed Sacrament.

The public is cordially invited to come to the Novena.

Following is the program of the 1950 Novena, Devotion to the Blessed Virgin:

May 21—The Novena and Devotion to the Blessed Virgin.
May 22—Devotion to the Blessed Virgin and Salvation.
May 23—Devotion to the Blessed Virgin and Perfection.
May 24—Devotion to the Blessed Virgin in Thought.
May 25—Devotion to the Blessed Virgin in Word.
May 26—Devotion to the Blessed Virgin in Action.
May 27—Causes of Failure or Weakness.
May 28—Fruits of Devotion to the Blessed Virgin.
May 29—'Cor Unum in Christo" ("Our Heart in Christ")

May 27 Proclaimed Poppy Day By D. C. Mayor Green

Saturday, May 27, was set aside as Poppy Day in the city of Daly City in a proclamation issued today by Mayor Paul Green.

The proclamation urged all citizens to observe the day by wearing memorial poppies in honor of those who gave their lives in the two world wars. It stated:

"Whereas, the City of Day City, in 1917 and 1918, and again in 1941 to 1945, sent many of its finest young men and women to serve in the defense of our country; and

"Whereas, 26 of these made the supreme sacrifice in that service; and

"Whereas, the memory of their service and sacrifice should be forever kept bright for the inspiration of our own and future generations: and

"Whereas, the wearing of memorial poppies on the Saturday before Memorial Day brings to our minds and hearts the memory of those gallant dead;

"Now, therefore, I, Paul Green, Mayor of the City of Daly City, do hereby proclaim Saturday, May 27, to be Poppy Day in the City of Daly, and I urge that all citizens observe the day by wearing the memorial poppy throughout the day."

PAUL GREEN

Memorial poppies will be distributed on the streets on Friday by volunteer workers of the American Legion Auxiliary, who will receive contributions for the Legion and Auxiliary activities in behalf of the disabled war veterans and needy children of veterans.

Signals To Go In Despite SF Tracks

The San Francisco Municipal Railway has refused to remove the tracks on Mission street, but this won't stop the new signals from going in during the summer.

That was the gist of the report at the Monday night caucus meeting of the city council, Mayor Paul Green reported today.

Earlier the state highway commission had asked the city to remove the tracks so that pedestrian islands and traffic lights might be installed. The signals will be placed at the intersection near Wellington and Hillcrest drive on Mission, and on Mission at Market.

However, the commission seems agreeable to having the tracks paved over, R. A. Klassen, city engineer, said. Mayor Green requested Klassen to contact the commission and secure approval of the paving job.

If all goes well, it is expected that the contact for the signals and pedestrian islands will be let before June 30. Total cost of the job, to be financed for the most part by the state division of highways, is $60,000.

Other business taken up at the caucus meeting included:

A report on the laying of an 8-inch water main on Junipero Serra boulevard. This job is expected to be completed within the next 30 days. The contract was awarded to the Louis Haas Company by the council several weeks ago.

Grading for the middle and upper levels of Marchbanks park and Edgewood terrace park started this week. The grading is expected to be completed within 10 days after which the council will take steps for the erection of retaining walls and walks.

Crime Doesn't Pay...Not Here

Crime paid off only in aching backs and headaches for thieves who last weekend attempted to burglarize Crocker Cleaners, 6215 Mission, police report today.

Going to the roof of the establishment, the burglars drilled several holes large enough to insert their fingers, tore up some boards, and lowered themselves into the building.

Once inside, they went to the office where they launched a frontal attack on a small safe. When this failed, they turned the safe over on its back and went at the bottom of the iron box.

Things were looking up, when suddenly something frightened the thieves. They made a getaway through the hole in the rof, leaving behind the safe and $42 in the cash register.

Police report their total loot was exactly nothing.

Boys Club Hdqs. Being Renovated For Opening Soon

Headway was being made today on cleaning up the clubroom for the new Daly City Boys Club, and the organization may be back in business by July 1.

Several members of the club's board of directors have been spending their week ends cleaning up the club at 1 Hillside drive in preparation for reopening. These are the same quarters given rent free to the boys by Frank Lombardi.

Anyone interested in giving the men a helping hand in their clean-up job is asked to contact Bill Finney at DE 3-6320.

The next general meeting of the sponsoring body for the Boys Club is scheduled for June 7. It is expected that shortly afterwards the club will reopen for the summer months.

However, many more members are needed to make the club a success. Those wishing to join the sponsoring group are asked to call the Daly City Record, JUniper 7-4321.

Meanwhile, watch the Record for news of a membership campaign. The campaign will get underway shortly to enlist more financial and moral support for the club.

JIMMY TELLS THE FOLKS ABOUT GUBERNATORIAL HOPES

James Roosevelt, Democratic candidate for governor of California, delivered a short campaign speech in Daly City and Colma last Saturday. A good size crowd gathered to greet Jimmy and promise him support in his bid for the governor's seat. Here Jimmy holds the mike while Mayor Paul Green, who knows a little about public speaking himself, looks on. —Photo by Corner

Hilltop Market's Grand Opening Is Stellar Event

In a gala opening that vies with the most pretentious of its kind, the Hilltop Market, located in the heart of Daly City, 6315 Mission street, and formerly Milo's Market, stages an "Open House" tonight prior to a grand display of fine foods tomorrow.

Nothing was overlooked to assure a fully representative attendance of people throughout this area by the operators, George Glass and Mike Bertolucci. In banner announcements in the Daly City Record, they revealed a stellar program of awards on opening day plus policies.

More than $500 worth of groceries will be passed out to the large number of visitors tomorrow and Saturday. Also included will be meats, hams, and bacon. Again, there will be free gardenias, ice cream for the kiddies, Frank Buck watches, and shopping bags.

George Glass, who has been in the market business in this vicinity for 15 years, said that he will do his best to make the Hilltop comparable to the finest market anywhere. Said he, "Each department will carry the best foods obtainable at the lowest possible prices.

"You know every housewife must make her food dollar go

AWOL D. C. Recruit Arrested In Brisbane

Overstaying a pass, weeks after he attended his mother's funeral in Daly City last month, Pvt. Alvin Wallace O'Brien, 19, 1126 Brunswick street, landed in the guard house today.

The young Air Force recruit was arrested in Brisbane Wednesday night by Chief Dan Case, who said the soldier "acted suspicious."

When arrested, O'Brien produced a Class A pass from Hamilton Field. Not satisfied, Chief Case called the field to find there was no such soldier there.

Daly City police contacted O'Brien's father Thursday morning. He said the boy was stationed in Texas, and has been twice AWOL since his enlistment two years ago.

According to the elder O'Brien, his son had received a 20-day pass about April 10 to attend the funeral of his mother in Daly City. After the funeral the father said he did not know what happened to his son.

In the Hamilton Field guard house today O'Brien's only comment was, " I have no use for the Air Force . . . they treat me like a dog."

Edgewood Terrace Assn. Takes First In Parade

Eddy Allen, May Day parade chairman, today announced that the Edgewood Terrace Civic Association was overlooked last week in the announcement of parade winners.

The Association took first prize with the best novelty float in the march, Allen said.

This category was not listed in the report of prize winners in the Record last week.

Blaze Busters Active Mondays

An overheated small gas burner touched off a fire on the back porch of the Martha Borelli home, 691 Hanover, Monday evening, firemen report today.

The burner first set a shelf on fire, and this in turn spread to the curtains. By the time hose hoisters had the blaze under control it had done about $30 damage, Fire Chief Elmer Kennedy said.

Meanwhile, firemen spent a cold Monday morning at the lumber yards of the Henry Doelger Westlake project. Sometime around 2 a.m., an 11,00 volt wire snapped, setting a pole cross arm on fire.

The blaze busters stood by the lumber yard, putting out sparks from the cros arm until such time as PG&E could cut off the power in the wire. Chief Kennedy reports damage was nil, although several firemen caught mild colds.

Anderson To Visit Daly City May 31

Congressman Jack Anderson will be in Daly City for a tour and dinner Wednesday, May 31, he announced today.

The trip is part of a junket through the four counties in his district which began Thursday, May 18.

While in Daly City, Anderson's host will be Mayor Paul Green. In neighboring Colma, A. J. Gaggero, Anderson chairman, will do the honors.

Jeff High Offers Summer Swimming Classes For All

Swimming classes are to be held at Jefferson High school between June 19 and August 11, Coach Glenn South announced today.

There will be morning classes of instruction only. There will be 11½ hours of lessons, for which a nominal fee will be charged.

Registration will be at Jefferson High school swimming pool office on Saturday afternoon from 2:30 to 4:30, or any week night from 7 to 9:30 until the deadline

(Continued on Page 2)

County Approves City Annexation Of Thornton Beach

The city will soon have the opportunity to annex Thornton beach . . . that is, if they want the 25 acres.

A. J. Bodien, county planning commission member, reported today that the commission has agreed to turn the property over to the state with the agreement that the state will lease it to Daly City.

The decision was reached last Friday, following a meeting of the commission with a representative of the state park commission.

It is expected that the commission will go through the necessary steps of releasing the property at their regular meeting this Friday, Bodien said.

Now all that remains is the approval of the city council. Last February the council said it was "interested" in the proposition, but requested further information on the beach.

The land in question is that 25 acres just west of Skyline boulevard, near the intersection of the boulevard and Highway No. 1.

VOTE FRIDAY - MAY 19

Four Candidates Seek Two Positions In Jefferson School Districts

School authorities today urged everyone interested in the welfare of children to vote Friday, May 19 in the school board election.

There are two candidates seeking the one position of trustee on the Jefferson high school district board. An equal number of candidates are seeking one position on the Jefferson elementary school district board.

Michael (Carter) Calian, incumbent, is opposing D. C. Gensel for the seat on the elementary board. Claude Hanrahan is opposed to Mrs. Mildred McGeein for the position on the high school board.

Statements by these four candidates may be found on page 2 of this paper.

Generally the polls will be open from 7 a.m. to 7 p.m. Friday, and are located at the school nearest your home.

Anyone desiring a ride to the polls may have free transportation by calling JUniper 7-2267.

However, for the information of those who are not acquainted with the district, following are the precincts for those voting in the elementary school board election.

Precint No. 1.—All that area north of Bepler and Wellington streets and south of San Francisco. If you live in this area you vote at Crocker school.

Precinct No. 2.—All that area south of Bepler and Wellington streets and north of the north boundary of the Jefferson high school and north of Bismark street. If you live in this area you vote at Woodrow Wilson primary.

Precinct No. 3.—All that area south of the north boundary of the Jefferson high school and Bismark street, and west to Junipero Serra boulevard. Also all of Colma incorporated. If you live in this area you vote at Jefferson elementary school.

Precinct No. 4.—All that area in the school district west of Junipero Serra boulevard, including Broadmoor, Garden Village and Westlake. If you live in this area, you vote at the new Garden Village school.

Those voting in the Jefferson high school board election may cast their ballot at:

The same aforesaid schools if they live in the area prescribed by the precincts.

Bayshore—at Bayshore school between 1 p.m. and 7 p.m.

Brisbane — at Brisbane school between 1 p.m. and 7 p.m.

Sharp Park—at Sharp Park school between 3 p.m. and 8 p.m.

Vet Bond Issue Will Not Cost Taxpayer Money

The California Veterans Bonds which keep the State Farm and Home Purchase Program for veterans in operation do not involve a cent of cost to the taxpayers, it is pointed out by Floyd D. Granger, Veterans Service Officer, San Mateo county.

"I have been asked questions along this line by a number of local residents, "Granger said, "in view of Proposition I on the June 6 election ballot, which would grant authorization to issue $100,000,000 more of these bonds.

Unlike bonds for schools, sanitation and other public improvements, the California Veterans Bonds are entirely self-liquidating, he went on to explain.

The program has been financially sound throughout the 29 years of its existence, according to Granger, who as a purchaser of a State financed home himself, realizes what an advantage it is to eligible veterans to buy their homes through state financing. At the same time, the contract-holding veteran has enjoyed a low rate of interest on his financing, currently 3 per cent.

Veterans who were born in or who entered military service from California may be advanced up to $7500 on the purchase of a home or $13,500 on a farm, provided the value of the property, as determined by Department of Veterans Affairs appraisal, does not exceed $10,000 in the case of a home or $15,000 in the case of a farm.

To date, Granger said, approximately 40,000 veterans of both World Wars have taken advantage of the program, and another 170,000 or so have indicated their intention to do so by filing applications to establish their eligibility.

Interested veterans can obtain information on the program from the Veterans Service Office at the Courthouse in Redwood City.

Hillcrest Circle Whist Game Monday

The regular monthly whist of Hillcrest Circle No. 143, UAOD will be held Monday, May 22.

Place of the party is the Masonic Hall, 17 Hillcrest drive. Activities get underway at 8:30 p.m.

Arch Druidess Marie Miller and her suporters, Martha Wegner and Winnie Evans, will be in charge.

OLPH "PYGMIES" TO PLAY LAST GAMES OF CYO LEAGUE

Although they are not champions, the boys of OLPH's "Pygmies" have put up a good fight during the season. They have two more games to play. This Saturday at 10:30 a.m. they meet Epiphany Sea Lions at Marchbanks and next Thursday, May 25, they meet Park Merced Boys Club at the SF State diamond. Team members are top left to right: J. Sullivan, Ronald Angelot, Jack Brush, Jim Laumond, Father McKenna (coach), J. J. Lucia, Richard Gonzales, Vernon Waligora, Larry Kennedy. Lower row, left to right: Gary Martinelli, Larry Bradley, Frank Cirunele, John Schwaninger, Bill Griffin and Don Riccis. The dog is the team mascot. —Photo by Donnelly

IT'S LEGAL NOW . . . THE BUNNY HUG TURKEY TROT, AND TEXAS TOMMY

Dancers can breathe a sigh of relief . . . the bunny hug, turkey trot or the Texas tommy are now legal in Daly City.

The dances—for nearly 25 years outlawed by a city ordinance as "immoral" — will be reinstated in the eyes of the law when the city council acts next week to remove at least 160 useless ordinances from its books.

And those with automobiles will be glad to hear they can drive up certain streets without fear of arrest. Yes, there is a statute on the books outlawing the horseless carriages on certain streets.

All this overhauling of laws is the result of a project carried out by Saul M. Weingarten as part of his nine-month municipal affairs internship with the Coro foundation of San Francisco. Mayor Paul Green instigated the move to streamline Daly City's laws.

Over the past 40 years Daly City has allowed old laws to pile up. The ordinances, some typewritten, some clipped legals from newspapers and others just scribbled, were contained in two bulky volumes in the office of B. C. Ross, city clerk.

One of the earliest — No. 22 — regulated the moving of "refugee shacks" into Daly City from San Francisco. It developed that this referred to improvised structures thrown up after the 1906 earthquake and fire, and obviously was out of date in 1950. The Coro intern recommended its repeal.

Weingarten, a man of few words, found that as many as 10 ordinances on a single subject could be combined into one. He is a law graduate of the University of Southern California, and has background to handle the red tape involved in drawing up a simple code for a city.

This code will be printed in pamphlet form, and made available to the taxpayer. Thus, one look at the small book will give citizens an idea of what they can and can not do, within the law, in Daly City.

The project was carried out free of charge to Daly City. It was one of the public projects undertaken by the 12 members of the Coro foundation class of 1950, which will finish its nine-month course in public affairs on June 30.

Hilltop Market

(Continued from page 1)

places these days. With that in mind, we plan to be as conservative in prices as business will allow.

"Our first feature will be to carry a large stock of nationally advertised brands which are familiar to all. In fact, it is our earnest desire to never say we haven't this or that item.

"Next, we will always have a fresh supply on hand. There will be no overstocking. In this way, we always will be ready to acquire all of the new foods coming on the market.

"At this point, it is well to say a word about our fresh fruits and vegetables department. We have engaged the services of Joe Chicci, for many years in the produce business and recognized as an extremely efficient man in his line.

"Consequently, our customers are assured of getting fresh foods that will satisfy not only discriminating tastes but the knowledge we have the best to be found anywhere."

As for the meat department, Mike Berto ucci and his partner, Al Giuliani, will continue to serve top grade meats as they have in the past and improve the quality when possible, they said.

Mike explained that with his extensive cooling system, he plans on all seasonable meats, fish and poultry at all times. Not only that, there always will be several butchers ready to serve.

"You know," said Mike, "we have been here for some time—three years, in fact. Therefore, we have become acquainted with the folks here and their likes and dislikes.

"We know just about what is preferred. Also, we are aware of the prices the residents hereabouts want to pay. With these facts in mind, we are going all out to satisfy and please everyone."

The Market will be open every day, including Sunday, for groceries and produce and the meat department will follow along except it will be closed on the Sabbath.

New Arrivals

To the wife of Frank J. Maeso, 190 Gambetta, May 9, a daughter.

To the wife of Gene M. Blake, 1308 Sweetwood drive, May 3, a son.

To the wife of George Davis, 131 Warner avenue, May 4, a son.

To the wife of Gordon M. Thomas, 256 Hillside boulevard, April 28, a daughter.

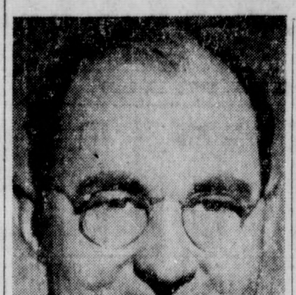

To the wife of George E. Archer, 74 Evergreen street, April 27, a son.

To the wife of Alan M. Davis, 275 Hilcrest May 5, a son.

To the wife of Howard B. Miguel, 98 Cottonwood drive, May 8, a daughter.

To the wife of Felix A. Messier, 819 Larchmont drive, May 7, a daughter.

SCHOOL BOARD CANDIDATES MAKE STATEMENTS

Claude Hanrahan

Stressing his belief that the citizens of tomorrow will be dependent upon the type of schools and curricula made available for them today, Claude Hanrahan, candidate for trustee of Jefferson Union high school, asked for the support of voters at the school education Friday, May 19.

A local home-owner with two children in public schools, Hanrahan is a graduate of Stanford University and holds State credentials as a high school teacher. An AFL union member, he is employed by a large San Francisco production firm.

"The problems which the area is facing now in the primary and elementary schools will only be accentuated in the high school in a few years when the wave of new students makes itself felt," Hanrahan said, "and it is of paramount importance to parents, children and home-owners in general to take advantage of proper planning so that a high standard of high school education will be guaranteed for the future."

"The job ahead of the Jefferson high school board of trustees is a big one; it is a man's job and a challenge which must be faced squarely," he stated.

A navy veteran of World War II, Hanrahan was active in the service training program as an instructor for Navy fleet pilots and navigators.

Pledged to a common-sense program of fundamental education, Hanrahan stressed the need for proper long-range planning of school facilities and courses, to keep up with the rapidly-changing needs of modern living, designed to produce high school graduates properly equipped and trained to take their place in the business and social world of tomorrow.

"Usually, only a fraction of the voters turn out at a school election," Hanrahan stated, "But I sincerely hope that everyone will cast his ballot at Friday's election. . . . The first stronghold of American democracy is our schools, and I urge all the voters to cast their ballot accordingly."

Mlidred McGeein

Mrs. Mildred McGeein in finishing her campaign for Trusteeship of Jefferson Union high school district, believes the voters in the district have demonstrated a great amount of interest in her success.

This marked interest is ample evidence that the American citizenry still has faith in its schools as the greatest single instrument in the consumation of a democratic way of life.

Mrs. McGeein is looking forward to years of growth and expansion in the Jefferson Union high school district. One of her most basic principles in school administration is her desire to have cooperative planning among parents, children, trustees and professional educators. This type of teamwork calls for a minimum of friction and a maximum of sound understanding.

Mrs. McGeein urges all the voters in the district to cast their ballots in the school election. A heavy vote indicates the interest that people have in the school program. The right to local participation in the administration of their schools is the right reserved for very few people in the world today. Not only will the voters demonstrate interest but they will endorse one of their most prized American heritages.

"Pat" Brown Hurt In S. M. Accident

Edmund G. "Pat" Brown, San Francisco district attorney and candidate for the office of state attorney general, was injured in a Monday night crash on Bayshore in San Mateo, officers report today.

Brown suffered only a sprained wrist, although five other persons were seriously hurt, several incurring fractures.

Driving the car in which Brown was riding was his long-time friend, Chester C. Reed, 52. Officers reported the accident occurred when Reed's car going south on Bayshore crashed broadside into an auto driven by Ronald W. Gerst, 20, a musician of Santa Cruz.

DON'T OVER-DRAW

Make your vacation plans early, and plan to do your driving during early hours of the day, urges the California State Automobile Association. For a safe vacation, budget your mileage so that you won't over-draw on your physical endurance.

D. C. Gensel States Platform For School Board

Stating his platform in the coming Jefferson elementary school board election, D. C. Gensel said today:

"The fallacy of a lot of people who have aspirations to serve the public in some capacity is to promise them everything they wish, and be unable to fulfill but a few of them.

"If I have the pleasure of serving Daly City as a trustee of the Jefferson elementary school board, you can be sure that I will do my best with the material at hand.

"I do not believe that it is necessary for me to make any sort of statement as to what I will attempt to do for the schools and teachers, as actions speak louder than words.

"Several of the people of this city are well aware of my work with the youth movement, namely the organization of Cub Pack No. 62 and 63 and the renewal of the troop charter of Boy Scout troop No. 249. This is one of the reasons that I have been unable to conduct any sort of campaign. Of course there is another reason, which is financial.

"I moved to the city four years ago after serving continuously in the United States Navy from 1923 to 1945. I am a member of the Veterans of Foreign Wars, United States Fleet Reserve Association, General Pershing and Crocker PTA and the Daly City Rod and Gun club. At the present time I am a salesman for an electronics company.

"As I have stated previously, I have four children in the public schools of this city and intend to make this my permanent residence. This of course means that my children will attend Jefferson high school.

"My wife is also very active in public life, as she is past president of General Pershing PTA and other civic activities, namely one of our den mothers of Cub Pack No. 62.

"Isn't it a fact that almost all campaigners end their platform statements with, "Elect me, and I will raise teachers salaries, build schools and playgrounds, etc."? Of course I am heartily in accord with my worthy opponent that the teachers of this city, as well as nation-wide, are disgracefully underpaid for the qualifications necessary to become a teacher, and be it either my opponent or myself, something should be done to better this situation.

"In conclusion I wish to quote a little phrase picked up at a scout executive meeting attended several weeks ago, "It is much better to hunt with your boys than to hunt for them.'"

Michael Callan

Reiterating his pledge to eliminate double sessions, Michael (Carter) Callan today asked the people to return him as trustee of the Jefferson elementary school district board.

During his last 1½ years as trustee, Callan has demonstrated his ability to meet the problems of an ever increasing school enrollment.

"Let the record speak for itself," Callan said. "I have continually fought to cut down on swing shift education, and shall carry on with the job, if I am returned to the position of trustee this Friday."

Callan pointed out that now only two classes are on double sessions. When he was appointed to the board, the hope of eliminating twin sessions was indeed remote.

However, for the past 1½ years Callan has been instrumental in the construction of the Woodrow Wilson primary school addition, and the new Garden Village school. He has also assisted in drawing up plans for the Colma school which will be under construction by July of this year.

"But the problem is far from solved," Callan said. "By the end of 1951 the school population will have doubled, and we will be right back where we started, unless we continue to build more and better schools."

Callan has assisted in drawing up plans for six schools to meet the increased enrollment. He has been on the "ground floor" in all this planning, and through his frequent trips to Sacramento is in an excellent position to see the plans fulfilled.

In adition, as Callan is an experienced, successful business man, he is in a position to give expert advice on the purchase of sites for the new schools. This advice alone, has, and will continue to save the school district many thousands of dollars.

But of course, Callan realizes more is needed in a good school system than simply schools. Teachers of the highest calibre are also needed, as are proper recreation facilities.

During his term as school board trustee Callan has pushed through a higher salary scale for all teachers in the district, in addition to fighting for a proper retirement plan. He will continue the pattern of hiring only the best teachers for the district.

As for recreation, Callan has seen that each of the plans for the new schools consider the necessity of large, well equipped playgrounds. He has taken a leading roll in seeing that Woodrow Wilson annex and Crocker schools, as well as the new Garden Village school, were provided with adequate recreation facilities.

Callan knows, and understands these problems, as he was born and raised in the Jefferson elementary school district, and graduated from both the Jefferson elementary and Jefferson high schools.

He is a college graduate with a minor in education and a degree in business administration, which gives him a thorough understanding of both the problems of running and financing a school system.

This background, coupled with his experience both in business and in dealing with children, makes Callan the idea man for the position of Jefferson elementary school board trustee.

Jeff High Offers

(Continued from Page 1)

for each course.

The deadline is 10 days before the beginning of each course. Enrollment will be limited, so register early to avoid disappointment.

The four courses will run from June 19 to June 30; July 1 to July 16; July 17 to July 28 and July 31 to August 11 respectively.

Because of the depth of the water, no one under four feet tall can be accepted for instruction. Children must be old enough to follow group instructions and not require individual attention.

Parents and visitors will not be allowed in the balcony of the pool except on the last day of each campaign. At this time you may see the progress of your child or friend. In the past, the spectators have been distracting to both students and instructors.

Further information may be obtained by calling South at PL 5-2511.

BAYSHORE VISITACION VALLEY

By Bernice Hendryx JUniper 4-6449

BAYSHORE— stand'g hed ....

At a recent meeting of the Voters League, the subject of stray dogs in Bayshore as brought to the floor, and the League has moved to write to the Sheriff's Office, asking them to cooperate with residents here in an effort to eliminate stray dogs without licenses.

There are several packs of animals running the streets here at present, and it is felt that many of the dogs are not claimed by anyone. Reports have come in that children have been bitten, and that parents of the youngsters could find no owners of animals responsible.

There was a concerted drive here here some time ago to eliminate ownerless strays, but since then the situation has been allowed to get out of hand again to some extent. Cooperation is needed to remedy this condition, and it is thought that the best way to help in this is to call the county authorities when an animal with no license is found.

PEOPLE

Bill Pato, of 307 Rio Verde, finally finished his 12½ foot speedboat. Took it out on the bay last week, with a new Mercury motor, and she runs like a charm. Took time out for a three hour fishing spree while he was at it, but he said he never opened her clear up. She was too fast. He hopes to finish the trailer carrier this week. Take note you sportsmen. Bill may have a few old blueprints laying around that he isn't using.

Mrs. Mae Painchaud was officially handed the gavel at the night meeting of the PTA last Friday by Mrs. Virginia Stuhl, acting chairman. Mrs. Stuhl was presented with an apreciation gift by members for her work in PTA this year, and Mrs. Nellie Throne will be presented with her past president's pin.

Larry Puckett, one of our Boy Scout Den chiefs, has a sad case of the mumps. Cheer up Larry. Think what a case of the mumps would have done to your summer vacation.

TROUBLES

Mrs. Dwinnell, of 3107 Geneva ave. has her troubles this week. She left a pot of dog bones cooking on the stove while she went shopping, and when she came home, she had company. The Fire Department had dropped in. Seems the pot had boiled dry, and neighbors called the firemen when smoke began to pour out of the house. Mrs. Shere, next door neighbor, nearly asphixiated herself by making several attempts to reach the bedrooms before the firemen arived. She just k w that Mrs. Dwinnell was trap d. When help arrived, Mrs. Shere was having the prettiest case of hysterics to be found anywhere. Her agitated state led the firemen to believe that there was a baby trapped in the bedroom, so there was much excitement for awhile. The whole inside of the house is badly smoked up, and the Dwinnells are waiting now to see what the insurance company is going to do.

BRIDAL SHOWER

Antonetta Angotti, sister of Mary Calairoro, was given a bridal shower by Mary and four other sisters a short time ago at the Sanatation Hall, with 75 guests present. She is to be married June 3 to Manuel Machi at the Visitation Catholic church.

Pearl Butler has left for the East to pick up her new car. The Butlers have looked forward to this trip for some time, but at the last minute Mr. Butler found that his work kept him home. These business and pleasure combined vacations sound so economical. We'll do a survey on it one of these days.

Lonie Higgins presented his wife with an automatic Maytag washing machine for Mother's Day. It was a complete surprise, and it's the only subject that Rachel is discussing this week.

TV SHOW

Here's a note for you plutocrats with television sets. Joe Grasso, of 283 Rio Verde appeared on a TV show last week. Seems it's a new give-away show. The company calls 4 or 5 people and asks them to come into the studio. Then a set of questions and so on. Joe came home with an extra shirt we hear, so if any of you ask him for the shirt off his back, you can figure he has a change anyway.

Mrs. Rachel Higgin's Cub Den is to give a skit at the next pack meeting. There is a mysterious rumor afloat that there are bathing suits mixed up in the deal. If it's a fashion show fellas, send me an invite. That is one deal I wouldn't want to miss.

The Campfire Girls are giving a dance this Friday night, May 19, at the Sanatation Hall. Each girl has sent an invitation to one young gentleman of her choice, so you not-in-demand fellows may as well take in a show.

The Mr. and Mrs. Club gave a shower for Mrs. Imbimbo last week, and the lady is very pleased. All very pink and bluish, and the addition is expected in the very near future.

We understand that the way things stand at present, our Girl Scouts will be unable to go to their summer camp in August unless we find someone here that will be able to accompany them. This is a new angle, and a not very pleasant one. They have a number of women at these camps, and in the past, no request of this kind has been made. Some of the kids really have their hearts set on it, and unless they change their minds at headquarters, or a lady from here can spare the time to go with them, the girls are out of luck. This should be looked into.

The Bayshore Baptist church's Sunday morning service will include a message by Reverend Widenham entitled "A Golden Handicap." The evening service will be "Eternal Inheritance."

Ten men from the valley attended the Christian Business Men's meeting and dinner in Redwood City last Wednesday evening. They hope to interest more of the adults in the valley in these Pentacastal gatherings.

There will be a meeting of the Improvement club on Friday, May 26, at 8 p.m.

Balboa High R.O.T.C. Is Tops

A United States Army board of inspection awarded top honors to Balboa High school at the annual San Francisco city wide ROTC inspection held on May 4 at Balboa Park.

Balboa received the best band award for the third year in a row, and also was awarded the trophy for the best battalion team.

Inspecting officers observed the competing battalions in close order drill, extended order drill, and in physical drill. High schools who participated were Lincoln, Lowell, Washington, and Balboa.

The inspection group included Colonel Frank R. Williams, Reserve Cavalry, California Corps' Instructors Group, Sacramento, Field Artillery, California.

COLMA --- BROADMOOR GARDEN VILLAGE

Lutheran Mothers Club To Give Dinner; Movie At Community Center Saturday

A spaghetti dinner will be given Saturday, May 20, at the Broad moor Community Center by the Lutheran Sunday School Mothers club.

The diner will be served at 6:30 p.m. Further information as to cost and tickets may be obtained by calling Mrs. Elizabeth M. Pope, PL 5-6895.

The public is invited to attend the dinner, as well as an interesting film to be shown after the feed at 8:30 p.m.

A full length production of Hall Roach studios, the film is entitled "The Sickle or the Cross." A cast of professional actors is starred in the movie.

The film concerns the conflict betwen Communism and Christianity and is of interest to everyone.

Juveniles Held By Authorities

Three juveniles, 14 to 16 years of age, faced charges today of stealing a truck from Daly City over the weekend, police report.

According to officers the 14-year-old Daly City boy stole the pickup truck from 421 Hillside boulevard Friday evening. He and a friend then went for a joy ride out to the beach, and later that evening left the truck at Bismark and Wyandotte.

Then, Saturday at 2 p.m., the boy and another friend returned for the truck, took it back to the coast, and were picked up by the California highway patrol.

The boys, two of whom are from San Francisco, are being held by the juvenile authorities, police said. Chief W. W. Sunderland reports the 14 year old is on probation from the juvenile home.

"Six Bits" Total Take In Yard Burglary

Juveniles broke into the Big Bear Lumber Co. office Tuesday night, but their total haul was only 75 cents, police reported today.

The young burglars entered the office by breaking the glass in a side window, and slipping open the latch.

Inside, they went through the cabinet where they got 50 cents. Then they turned to the desk where they got 25 cents from a drawer.

New Officers Installed In Colma P.T.A.

The Colma PTA installation dinner was held at the Colonial, Wednesday, May 10.

The dinner was very successful. Mr. and Mrs. James L. Snell were present, and also quite a few teachers and PTA fathers were present. The evening was very enjoyable and a good time was had by one and all.

Mrs. Allen F. Mori, the Colma PTA hospitality chairman, was Mistress of ceremony.

There were several charter members present. Also Mrs. G. J. Sirex, the 17th district president.

Life membership was presented to Mrs. Genevieve Gannon.

The past presidents who were present were Mrs. Gino Landi, Mrs. George Bertucci and Mrs. Ray Lagomarsino.

Entertainment was provided by a group from Carol Rae's Dancing Studio. They put on quite a unique minuet. The seven little girls were very pleasing. Mrs. Thomas Blanco did a superb job of supervising the entertainment.

Mrs. Dino Argresti sang several lovely solos.

Mrs. Edward J. Dennis turned over the gavel to the incoming president. Mrs. Jerdan Hopper.

Miss Marie Traynor installed all new officers for the coming year.

Mrs. M. Pauline Brown spoke on the history of the Colma PTA activities for the years 1949 and 1950. Her talk was enjoyed by everybody.

Mrs. Allen F. Mori gave a report on the ice cream sale at the May Day celebration. It was announced as a huge success.

The budget and finance will meet at the home of the president, Mrs. Jerry Hopper, on Wednesday, May 24, at 1:30.

AUTOMOTIVE INDUSTRY SETS RECORD

United States factory sales of new motor vehicles hit an all-time high in the first three months of 1950, reports the National Automobile Club. During these months there was an output of 1,635,966 new motor vehicles, 1,342,408 of which were passenger cars, 293,007 were motor trucks, and 551 were motor coaches.

CONNECTING STREET TO GO THROUGH

Planning Commission Expected To Approve New Route This Friday

A connecting street between Broadmoor and Westlake was almost a certainty today, pending a meeting of the county planning board Friday afternoon.

At that time the board is expected to go on record for a street 300 feet east of White street from 87th to the intersection of highway no. 1 and Skyline boulevard. The recommendation of the commission to the board of supervisors will be followed by definite action within a matter of months.

The final recommendation follows months of discussion pro and con, and two meetings last week.

Th first of these meetings was called by the Broadmoor Property Owners association to air the whole problem.

Tom Jenkins, new association president, reports about 50 people attended the Thursday evening meeting.

After hours of talk, those present went on record:

1. Opposing any street through school property.

2. But realizing that the commission was determined to have such a street, the one proposed 300 feet east of White appears most feasible and the group is in favor of such a route.

Jenkins said about 90 per cent of those present approved the resolution.

Earlier, 900 residents in the area signed a petition against any street. They asserted such a street will be a hazard to school children. (The route expected to be approved divides the new Garden Village school and the proposed upper grade Garden Village school.

This meeting was followed by an inspection tour last Friday by the planning commission.

A. J. Bodien, member of the commission, reports the members looked over the proposed route and appear to be in general agreement that such a road is necessary.

Druids To Hold Whist Game Friday

Whist will be the order of the evening May 19 in Colma, as Olive Grove No. 116, Druids, hold their monthly whist game.

The party is to begin at 8 o'clock Friday evening in the auditorium of Holy Angels Church, Colma.

All those interested in playing are cordially invited to attend. This is a good opportunity for residents of Colma and southern Daly City to get together.

41 Teachers Employed At Jefferson High

The entire teaching staff of Jefferson high school, with but one exception, has been re-employed for the school year 1950-51, Stanford Hannah, principal, said today.

It was agreed to renew contracts for the teachers at the annual board of trustees meeting, May 9.

Mrs. Virginia Stone Scheflin was the only teacher not re-employed, as she is to resign effective the close of the school year.

Three new instructors were also approved by the board. They include: Miss Bianca Ratto and Thomas Redmond to teach English and Mrs. Mary Newswanger to teach girls physical education.

The present faculty now includes he aforesaid three teachers and: John Mongan, dean of boys, Miss Helen Dobbie, dean of girls, Miss Louise Baciocco, Victor Binsacca, Miss Harriette Burns, Miss Dorothy Crowe, Miss Marjorie Erickson, Joseph Fulford, Miss Elizabeth Hall, Miss Hazel Henry, Miss Elizabeth Jones, Frank Kane, Mrs. Marion Kramer, Clarence Lair, Joseph Lassegues, John Matthews Joseph McGrath, Howard Miguel, Miss Beatrice Moldrup, Durant Moseley, Michael Orlich, Miss Virginia Parent, Truman Pfeffer, Mrs. Marjorie Reandau, Llewellyn Reese, Ernest Ribera, Elman Rose, Miss Barbara Schmidt, Miss Eunice Seaton, Miss Hildegard Seidel, Charles Slinger, Glenn South, Miss Dorothy Smith, King Stevens, Miss Berna Sutton, Miss Dorothy Tully, Dietrich Vollbrecht, Miss Madeline Zitler.

(Paid Political Adv.)

ELECTION — JUNE 6, 1950

HENRY C. HALL X

Let us help you plan your summer trip

7 reasons why you'll enjoy S. P. trains

Economy Chair cars and coaches on Southern Pacific trains take you there cheaper than you can drive. Rates are only slightly higher than the lowest cost transportation.

Speed Chair cars and coaches on S. P. trains provide the *fastest* low-cost transportation available.

Convenience Eat on the train, read your favorite magazine, play cards or plan your next day's business meeting.

Safety Travel with confidence. Weather makes no difference to the railroad. Sun, fog, wind or rain, you'll be safe with Southern Pacific. Steel rails are the safest highway ever built.

Comfort You can stretch, walk around, visit the dining car or take a nap. Long-distance trains are air-conditioned, too.

Relaxation Let the engineer do the driving. You arrive fresh and rested.

Luxury Think of Southern Pacific in terms of luxury travel, too. Here are some of the fine trains that are at your service:

Streamliner *City of San Francisco* and *San Francisco Overland* to Chicago; the *Daylights* between Los Angeles and San Francisco-Oakland-Sacramento; the new *Shasta Daylight* between San Francisco and Portland; the streamlined *Golden State* to Chicago via Los Angeles; and the *Sunset Limited* to New Orleans through the Old South.

Ask Southern Pacific for details about our trains and services. We'll be glad to help you plan your trip.

S·P

The friendly Southern Pacific

AROUND THE VILLAGES

with Verna Duste

Are you tired of living—horticulturally speaking?

Does your garden need something different? Then act today! For a short time only, you may receive one genuine three-foot weed, and all you have to do is send one cast-off Director to your truly. All of which serves to announce spring garden-cleaning at 1004, othrwise known as "Duste Awhile."

Busy, busy, busy—with never a lull for Mother's Day. You know what that is—that's the day when all the kids, plus wives (or husbands) and kids come home to pay homage to Mother Dear (and stay for dinner!) Anyhow, a salute to all of you Mothers!

We saw one of our favorite little moppets trudging up Washington St. with a can of cleanser in her hot little hand—to help Mommy with her spring housecleaning—Daddy's giving her some elbow grease."

So—you hear roller skates and it's not roller-skating season? Season, shmeason—means nothin' 'tall to three Broadmoor matrons of our acquaintance—their idea of a spring (?) evening's fun is to roller skate up and down—no, Sam, we can't tell what street, or just everybody will know!

The sick list finds our Canasta feeeend—Mary Attebery—on the fritz this week. C'mon now, Mary, don't deal those cards so fast, and you'll feel better! Seriously let's see you up and around.

The birthday department has one lone occupant this week, but a very important one! Remember the sign that was posted on the corner of Washington and 89th on May 17, 1949, reading "t's a boy! 7 p.m., 7 lbs., May 17th." Sure you do—it caught just about everyone's eye! Well, anyhow, the cause of it all, Gil Hatfield, celebrates one whole glorious year on May 17th, and Ma Phillis and Pa Frank Hatfield will, of course, be receiving "congrats" for the little guy.

Congratulations to Mark Swoverland over on 87th St. Not for the usual—it's a little early for that, but for securing the membership of the Chestnut St. Littlemann Store. Good work, Mark, that makes one more VIP for Broadmoor.

The Stetler boys, up on Midway, were confirmed in the Broadmoor Lutheran church on Sunday—their parents entertained afterward, with sixteen guests.

Visiting from out of town is Conie LeBaron's mother from Los Angeles. Now's the time for us to go into our song and dance about "our unusual weather." Nuts!

Those gasps of weariness (and delight!) issuing from the foot of Washington belong to Eve Taylor, who is currently in the midst of the fun and work that comprises a Convention—a Master Plumbers' Convention, at that! Mrs. Taylor, whose husband Edward A. Taylor, Jr., is a Master Plumber and in business with his father in San Francisco, is Secretary of the Ladies' Auxiliary of the Master Plumbers' Association, and one of the hostesses of the current Convention, which is a National one.

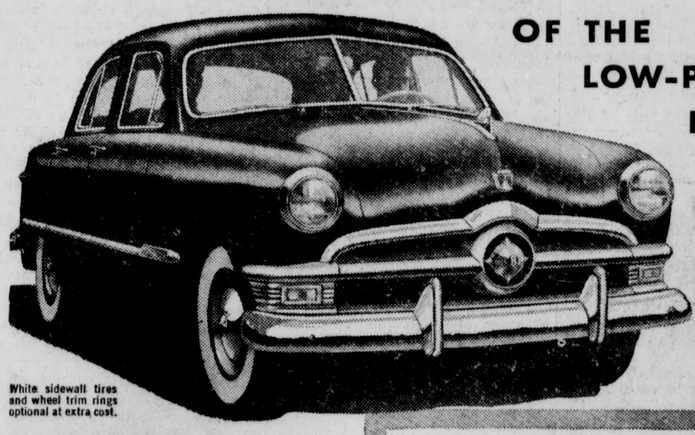

Visiting the Taylors from out of town is Miss Arlene Haag of Los Angeles, while Mrs. Jerry McDonald from Sacramento is expected momentarily.

The Gene Walkers over on Sweetwood are the proud parents of Steven Michael Walker, who arrived to them to the tune of 8 lbs. 5 oz. at Childrens' Hospital. Welcome, always glad to have another member of the Property Owners Association! Plug!

Well, that about winds us up for this time. Sodden-Thoughts-in-the-mad-middle-of-the-Night-Dept. Egad! It's precipitating, and our clothes are on the line! Selah!

Meet MR. BIG

OF THE LOW-PRICE FIELD!

White sidewall tires and wheel trim rings optional at extra cost.

Ford's big, beautiful, and buyable for '50! A look will show you why Ford was selected as "Fashion Car of the Year." One "Test Drive" shows you Ford's "Big-Car" comfort, solid roadability, and "sound-conditioned" quiet of Ford's sturdy "Lifeguard" Body.

BIG ECONOMY

Great gas mileage—proved in the Grand Canyon Economy Run. There a Ford Six with Overdrive won from the three full-size, low-priced cars. And with Ford's low first cost, low operating cost, high resale value, it's the "Big Economy Package" of its field.

BIG POWER—V-8 or "6"

Your choice of two great economy engines, the famous 100-h.p. V-8—the only V-8 in its field—or its companion-in-quality, the 95-h.p. Six.

BIG SOFA-WIDE SEATS

Soft, wide seats with the most hip and shoulder room in the low-price field. Seats that are "comfort contoured" for the utmost in big car luxury.

"TEST DRIVE" THE '50 FORD AT YOUR FORD DEALER'S

So economical to buy...and to own!

THOMAS BOCCI JR. FAMILY

Thomas L. Bocci Jr., candidate for the position of judge of First Township, is not only a prominent Daly City attorney but also a proud father and family man. Here he is shown with his wife, Mrs. Melania Bocci, and their two children, Deborah Ann and Tommy Jr., along with "Whitey," their German shepherd dog.

SOCIETY

Bridal Shower Given Shirley Remmer Who Will Wed Frank Zocchi June 24

A bridal shower was given Shirley Remmer at the Colma Community center recently.

Shirley, daughter of Mr. and Mrs. Remmer, 206 Village Lane, is to wed Frank Zocchi, June 24 in All Souls church, South San Francisco.

The shower was given Shirley by Thresa Mabon, Lorraine Remmer and Verna DeCoito. Carrying out the marriage theme, the community hall was decorated in pink and white, with a table decoration of a miniature bride and groom and their attendants about to enter the church.

Flowers decorated the hall, and they continued the motif of pink and white.

Shirley is a graduate of Jefferson high school, and well known in the Broadmoor-Colma area.

Frank is the son of Mr. and Mrs. Frank Zocchi, 512 Maple, South San Francisco, and is employed by a steel firm. After their marriage the couple plan to reside in South San Francisco.

These plans were revealed to the many guests present at the shower, including:

Evelyn Merlo, LaVerne Castanzo, Johanna Schwarz, Mrs. John Schwarz, Mabel Martinelli, Barbara Song, Mrs. Albert Silver, Mrs. Robert Williford, Thresa Mabon, Kate Mabon, Rita Sandin, Tina Gonella, Francis Capetanich, Sandra Alice Holtzman, Ethel Terramorse, Irma Rossi, Dorothy Doyle, Lorraine Lee.

Mrs. Tena Zecchi, Mary Feretti, Irene Rosenburg, Lillian Rowatt, Arlene Rowatt, Eva Aiello, Edith Benedetti, Carol M. Claus, Madeline Mejia, Ann O'Connell, Pat Hancock, Ann Benny, Mrs. Mejia, Alice Williams, Laura Gross, Verna DeCoito, Lorraine Remmer.

Out of town guests included: Ann Jeanette Devonasi, Anita Vincent, Charlotte Beckwith, Mrs. G. Colombo and Gloria, Emily Redoni, Mrs. Louis Colombo, Marie Senaldi, Mary Valante, Mary Seberi, Claudia Severi.

Bridal Shower For Kathleen Schreiber; She Will Wed W. F. Higgins June 24

Anticipating wedding bells June 24, friends of Katheleen Schreiber and William F. Higgins were present at a shower for the bride-to-be last Friday.

The shower was given by the groom's mother, Mrs. Pearl Higgins, and William's aunt, Mrs. Ida Hanley. The shower was held at Mrs. Higgins' home, 146 Woodrow.

With the wedding plans well underway, the home was decorated in the traditional pink and white. Mrs. Lynn Boskey was in charge of decorations, and also responsible for a beautiful table which carried the color motif through to candles and pink roses.

Many beautiful gifts were presented the bride by her friends, and those of William. Both the bride and groom to be are graduates of Jefferson high school.

Kathleen is the daughter of Mr. and Mrs. Dean Schreiber, 33 Knowles. She is now teaching in San Francisco.

William is a student at Davis, and will continue with his studies after the marriage.

Present at the shower were:

Mesdames: Louise Newcomb, Olga Bordson, Leslie Hansen, Kathleen Evely, Thelma Hamilton, Marie Miller, Peggy Lecaro, F. D. Schrieber, Nell Dorrance, Barbara Capps, Genevieve Peterson, Mae Hughes, Virginia White, Anne Young, Nonie Morris, Bernice Ingram, Marjorie McHugh, Emile Boskey, Mildred McGeein, Mary Crane, Catherine Foreman, Marcie Trier, Lynn Boskey, Aggie Bernstein, Miss Bonnie Newcomb, Janet Schreiber and Leslie Peterson.

RNA Annual Whist Party Coming Wed., May 24

The Royal Neighbors of America's annual whist is to be held Wednesday, May 24, it was announced today.

Getting underway at 8:30 p.m., the whist party will be conducted in the Masonic hall, 17 Hillcrest drive.

The public is invited to attend.

Many valuable gifts will be given away during the evening, including a hand made quilt.

"Record" Reminiscence

From The Record 10 Years Ago May 15, 1940

Carol Schoning, Barbara Davis and Ralph Capps were awarded contracts last week with the world-famous producer, Billy Rose after they won the honor of appearing in the "Aquacade" on Treasure Island.

The Dante P. Lembi Indians of Rhythm were signed up last week by Lee P. Strahorn, NBC representative, for personal radio appearances.

The list of possible graduates from Jefferson High School was numbered at 94 today.

Two pioneer Daly City and Colma families will be united Sunday when Miss Anna Kennedy becomes the bride of William Lagomarsino.

Jefferson humbled one of the Peninsula's most powerful high school teams, Friday, with a 5 to 0 score on the Jefferson diamond.

Mr. and Mrs. C. E. Lowe celebrated their forty-fifth wedding anniversary at a dinner party in San Francisco, Sunday. They were accompanied by their daughters and sons-in-law, Mr. and Mrs. J. H. Price and Mr. and Mrs. L. J. Wolt-[illegible]

San Mateo Fire Dept. Ball, June 3

The seventeenth annual ball given by the San Mateo Fire Department for the benefit of the widows and orphans fund, will be held on Saturday, June 3, at the Bay Meadows clubhouse, it was announced today by general chairman, fireman Joseph Bettencourt.

Looked upon as the most elaborate dance affair held each year on the Peninsular, the event this year will again feature a name band making its first appearance on the Peninsular. Negotiations will be completed this week, according to Bettencourt.

Upwards of 5,000 people attend the annual party of the San Mateo Firemen given in the beautifully decorated clubhouse of the California Jockey Club.

Tickets can be purchased at the door or from any member of the fire department.

Mother-Daughter Luncheon Held

A mother-daughter luncheon was held recently by the Business Girls Guild of the Grace Presbyterian church.

Miss Madeline Mejia, president, presided at a special program, and gave the "welcome" to the mothers and grandmothers.

Mrs. Stanford Hannah gave the response on behalf of the mothers, and Miss Barbara Winter presented Mrs. William Harberts, the guild counselor, with a bouquet of red roses.

Mrs. Charles Hancock won the contest prize.

Also, each mother and grandmother was presented with a beautiful corsage.

ANNUAL SERRA HIGH SCHOOL FAIR COMING TO SAN MATEO THIS WEEK END

The Mothers' and Fathers' clubs of Serra high school are rapidly completing plans for their annual festival, to be held this weekend.

The event, anticipated to be the most outstanding of any year, is to be held at Serra high school on Saturday evening, May 20, and Sunday afternoon.

During the course of the carnival, various booths will sell almost every item available at the typical country fair. There also will be entertainment for every member of the family.

Admission to the big show is free. All proceeds, raised through sales, will go towards the athletic and library fund of the school.

Father Vincent Breen is honorary chairman of the festival committee, with Father J. Maher assisting.

Representing Daly City will be Mr. and Mrs. E. Giacchino, Mr. and Mrs. J. Garibaldi, Mr. and Mrs. H. Varni and Mr. and Mrs. L. Martinelli who will be in charge of the flower booth.

Llyle Kennedy of San Mateo, president of the Fathers' club, will be chairman, with Mrs. Stanley Stebenne of Burlingame as co-chairman. Directors assisting are Mrs. Herman Kruse, president of the Mothers' club, Richard Gotter, vice president of the Fathers' club, Edward Nolan, secretary and Gerald Buschini, treasurer.

Mrs. Joseph Sweyd of San Mateo is chairman of the workers, with Mrs. C. McDermott as co-chairman.

Pack No. 36 To Attend Ball Game

By MRS. E. K. WHINNEN

Baseball is way out ahead as the big interest of Cub Pack 36.

Saturday, May 27, the pack will be guests of the Seals for their game at Seals stadium. Let's hope the weather man will cooperate with a fine balmy day, so the kids can enjoy the game without freezing.

Baseball was also the main subject discussed at the pack meeting Tuesday night. A summary of the ups and downs and progress of the season's games was given and announcement of future games and policy. Although the leagues have only a few more games to play, the practice will continue, and small, unofficial, non-league games will be played. Coach Al Rosenberg was presented with a baseball by the boys, signed, "Pack 36" and "San Francisco Seals." Al accepted it graciously but reminded the boys there were other coaches in Pack 36, too.

Another matter of importance brought up at Tuesday's meeting, was the coming graduation, June 13, and the subsequent loss of four Den Mothers. Pack 36 is entirely parent sponsored, and a plea was made for more Den Mothers, and more parent support. The pack is doing all right now, but perhaps, with more support it could do even better. The loss of four Den Mothers will definitely be felt if there are no replacements. It means some dens will have to be discontinued, which is a pity, considering how much of the worthwhile things these kids absorb from the proper leadership and association. It really isn't so much what they do, as the working together toward a common goal, team work, cooperation and good will toward one another.

Anyone interested in becoming a Den Mother in Pack 36, please contact Irene Rosenberg, JU 4-4771, Ruby Lupton, JU 5-9352, or Alice Tylenda, JU 4-6209, and she will pass the information on to the board.

A boxing skit was put on by Den 10, and the boys had a fine time knocking themselves out. Ice cream and cookies were served after the meeting.

Last Saturday, the 13th, all members of the baseball teams of Pack 36, and all their parents, who wished to come, were entertained at lunch by Al and Irene Rosenberg. 65 guests attended in all. The party was supposed to be for the boys and their parents, but Mrs. Rosenberg states the boys took over, served the spaghetti and French bread, ice cream and cake, cokes and coffee, and did all the cleaning up themselves. Who says cubbing isn't good for kids.

At the party Al Rosenberg was given a beautiful try, signed by all the boys on the teams, and presented as a complete surprise.

Cubs, remember the Seals game on Saturday, May 27. You will be guests of the Seals.

San Francisco's Presidio was once the garrison of Spanish soldiers protecting Mission Dolores.

Cub Pack No. 62 Takes Honors In Scouting Show

D. C. GENSEL

Cub Pack No. 62 put in a very nice booth at the Cow Palace for the scouting exposition which was held on May 5-6.

The den mothers, cubs, and members of the pack committee worked hard to make their small part of the exposition a success and are to be congratulated as they walked off with one of the red streamers which is second high award.

It is your writer's opinion, as well as several cubmasters and scoutmasters, that they were entitled to a blue streamer. They lived up to the motto of the cub scout, which is, "Do your best."

Sunday, May 7, Ed Kruse, cubmaster, led 25 boys in the May Day parade.

The regular monthly pack meeting was held Monday evening. Awards were presented to: Robert Bendinelli, David Whitney and Jack Gillan, bear; Thomas Kennedy, Ralph Huber, Harold Leninger, Billy Morris, wolf; Robert Bendinelli, Billy Morris, golf arrow; Emil Keper, three silver arrows.

Richard Gensel received his dinner's stripes and a knapsack for selling six books of tickets to the scouting exposition. John Benanti received his assistant denner's stripes.

Jack Valvin, David Kruse and Billy Gensel of Troop No. 249 were awarded chief denners cords.

Young Mr. Funk entertained the boys with three accordian solos.

Welcome, to our new den mother, Mrs. Cook, who is taking Mrs. Kennedy's den temporarily.

The annual pack picnic, to be held June 11 at San Mateo Memorial park, was discussed. As stated previously, this is to be quite an affair, with games for youngsters and oldsters and prizes for all.

Last Saturday the pack visited United Airlines and had a grand time. Mr. Hecht, of United, answered all questions. A few of the more fortunate boys got into the control tower and observed landing of three planes in a dense fog.

Brownie Troop Makes Tour Of Daly City Library

A group of 16 Brownies from Troop No. 21 recently visited the Daly City Library.

Their leader is Mrs. Hess, assisted by Mrs. LaFary. All members of the troop attend the Thornton school.

A brief description of library privileges and procedure was given. The girls were encouraged to tour the library and ask questions.

All the girls who were residents of Daly City were asked to become borrowers, and those interested were given applications.

After the informal discussion, the Brownies were free to browse through the books in the children's room, and before long they were busy investigating the wealth of children's literature.

The librarians enjoyed the visit from this well behaved group of young citizens, and hope that they will not make it their last trip to the library.

Mrs. DeGregoria New Salesian C.D.A. President

Mrs. Rose DeGregoria today is the new Grand Regent of Court Salesian, CDA.

She, and other officers, were elected at a meeting of the Court, May 11.

The other officers include Mesdames: Ida Garibaldi, vice-grand regent; Florentine Aldelahr, prophetess; Margaret Nemeth, lecturer; Helen Cahill, monitor; Marie Bragan, historian; Vera Badder, financial secretary; Loise Netzer, treasurer; Gladys Rosberg, sentinel; Lorraine Armanino, organist.

Mrs. Sadie Turley, Mrs. Mary Regan and Miss Gertrude Peters were elected to the board of trustees.

Mrs. DeGragoria requests that many of the new members attend the Catholic Daughters of America convention to be held in San Francisco on May 25 to 28.

Ladies Auxiliary F.O.E. Installs New Officers

Dora Black and Dorothy Johnson, two past presidents of the Ladies Auxiliary, FOE, were honored at a special meeting of that group May 9.

Also, a class of 11 new members were initiated. The new members include: Edythe Beecher, Audra Hart, Gladys Short, Dorothy Sweetman, Bertha Villanueva, Charlotte Draper, Grace Rose, Ceffie Herrers, Mary Castro, Vivian Ledgere and Mary Leon.

The two past presidents were presented with lovely orchids and Dorothy Johnson received her past president pin, while Dora Black was presented with a lovely bouquet of roses.

Following are the new officers, elected at the meeting: Loren Gardner, president; Albert Aiebel, vice-president; Dona Almquist, chaplain; Dolores Warren, conductress; Brita Morris, inside guard; Edrie Summers Jr., outside guard; Frances Nenstiel, secretary; Marge Lynch, treasurer; Mary Vobril, trustee.

Refreshments were served after the election. The tables were beautifully decorated in blue and white, with spring flowers as a centerpiece.

It has been estimated that prehistoric Indians lived from about 400 to 1400 A.D. in the area now set aside as the Petrified Forest National Monument in Arizona.

Legion Essay Winners Presented Awards At Ass'bly

Winners of the American Legion Auxiliary, No. 410 essay contest were given their awards at a special assembly at Jefferson high school Tuesday morning.

Mrs. Margaret Rector, on behalf of the Auxiliary, made the presentations.

Winners in the essay contest on "Americanism" were Anthony Ny, Marsha Golden, both of whom wrote on the Declaration of Independence; Jola Gorsuch, Robert Montgomery and Annette Kollman, who wrote on America's challenge to today's youth.

Catherine Foreman, district chairman of the essay contests was also present at the assembly. She delivered a short speech.

Another guest was Mildred McGeein, candidate this Friday for the position of trustee on the Jefferson high school board of trustees.

Auxiliary Members Attend Meeting

Several members of Old Glory Post No. 2044 Auxiliary recently attended the San Mateo-Santa Clara county council meeting.

Those attending included: Ruth Brulez, Ethel Dorn, Catherine McKeown, Eleanor Cochran, Lorraine Schneider, Shirley Walker, Clara Poket and June Wiley.

Lorraine Schneider was installed at Junior vice president.

Meanwhile, last Friday evening, Franklyn Ny, senior-vice commander of Old Glory Post No. 2044 VFW, and Shirley Walker, senior-vice president of the Auxiliary called a meeting to prepare for the annual sale of Buddy Poppies Friday, May 26.

As usual, the poppies offered for sale are made by the disabled veterans.

PUBLIC INVITED TO ATTEND WHIST AT OLPH AUDITORIUM FRIDAY NIGHT

The public is invited to attend a mammouth whist to be given by the Mothers Club of OLPH on Friday night at 8:30 p.m. in the school auditorium, 80 Wellington avenue.

Since this is the last large affair of the term, a group of the mothers of the past graduated pupils are forming the committee and are working diligently to secure beautiful prizes and we are promised an exceptionally nice affair.

The chairman of the whist is Mrs. Elsie Thomson. Any information regarding the affair you may secure by calling DE 3-1082.

On June 6 at 1 p.m. the same committee will conduct the afternoon whist in the school auditorium, for the final affair of the year. This whist will be comparable to the other games held on each first Tuesday of the month as done in the past.

The public is cordially invited to attend both games.

Mary Calegari New President OLPH Mothers Club

At the regular meeting of the Mothers' Club of Our Lady of Perpetual Help School, which was held in the school auditorium last Friday, May 12, new officers were elected to serve for the ensuing year. The officers are: Mesdames Mary Calegari, president; Jean Denning, vice president; Lee Miller, recording secretary; Ruth Cresta, corresponding secretary; Elinor McDougal, financial secretary; Mary Thiebaut, treasurer; Virginia Stanley, auditor; Casebolt Malloy, Bonie Whalen, Janet Fellman, and Bessie Linhares, board of directors.

These officers will be installed at the regular meeting of the Club on June 7. Mrs. Valetta Ennis will be installing officer and Mrs. Isabel Liberti will act as Marshall.

At this meeting the mamouth whist planned by the "graduated mothers" was scheduled for Friday, May 19, at 8:30 p.m. These ladies have worked very diligently in securing prizes and hope for a large crowd since this will be one of the last ventures for the term. Mrs. Elsie will be chairman.

At this meeting, too, the membership voted funds for two scholarships Sister Superior grants every year, to the two most outstanding 8th graders. Also funds were granted to the school for the purchasing of books, etc., need for the school. The expense of the annual picnic of the traffic boys, altar boys and choir girls that takes place on May 18 also will be met by the Mothers Club.

Mrs. Janet Gray was appointed chairman for the graduation breakfast and party. Each year the Mothers Club is the hostess for the graduating class at their communion breakfast and party.

After the business meeting, refreshments were served by the sixth grade mothers under the supervision of the hospitality of Mrs. Mary Thiebaut.

The first "theatre" in San Francisco was a small hall on a side street, where Dr. David G. "Yankee" Robinson staged the village's first dramatic performances.

Job's Daughters Mother's Club Meets

The Mother's club of Job's Daughters, Bethel 198, Daly City, will meet Tuesday, May 23rd, at 1068 Huron St.

The mothers are also participating in a telephone whist for the senior princess on May 24.

'Twin Cleaners' Gets Neon Sign

With the ever-increasing flow of traffic in front of its doors, the Twin Cleaners, at 6772 Mission street, has installed a large neon sign with twin clocks above the entrance. Bob Dyer, the manager, asserted that in making the purchase he was thinking of the future as well as the present.

In his opinion, it is most necessary now to keep the name before the public, what with keen competition and the constant flow of new residents here.

Crocker PTA Considers Room Representatives

Organization of a new group, called Room Representatives, was discussed last Wednesday at a meeting of the Crocker PTA at the home of Mrs. Carl Berg.

Mrs. LaVerne Atterbury was chosen chairman of the group, and she briefly outlined activities for the new year. Mrs. Atterbury is experienced in such work, as she was active in room representative work at Woodrow Wilson PTA.

The new representatives at the meeting were Mesdames: Atterbury, J. Hedvall, A. Tylenda, B. Trotter, D. C. Gensel and Carl Berg.

Meanwhile, Mrs. Berg and her budget and finance chairmen attended the seventeenth district school of information recently. This was the first district meeting of the year for the new president and her chairmen.

Crocker PTA held its regular meeting last Tuesday. The graduation luncheon was discussed and Mrs. Calvin was appointed chairman for the affair.

The program for the afternoon was under the supervision of Mrs. Robert Booky. Hugh Falconer presented dance numbers from a local school and an educational film.

Refreshments were served by Mrs. Booky, Mrs. Mary Wakefield, and Mrs. Julia Jordan.

STATE OF CALIFORNIA DEPARTMENT OF PUBLIC WORKS DIVISION OF HIGHWAYS NOTICE TO CONTRACTORS

Sealed proposals will be received at the office of the State Highway Engineer, Room 510, Public Works Building, Sacramento, California, until 2 o'clock p.m. on May 24, 1950, at which time they will be publicly opened and read in the Assembly Room of said building, for culvert installation on Sate Highway in accordance with the specifications therefor, to which special reference is made, as follows:

San Mateo County, on Alemany Boulevard, at Westlake Subdivision, in Daly City (IV-S.M-56-D1C), a culvert to be installed.

Bids are required for the entire work described herein.

In accordance with the provisions of Section 1770 of the Labor Code, the Department of Public Works has ascertained the general prevailing rate of wages applicable to the work to be done to be as follows:

Classification	Rate per hour
Apprentice (oiler, fireman or watchman)	$1.94
Carpenter	2.225
Cement finisher (journeyman)	2.20
Concrete mixer operator (up to one yard)	1.94
Concrete mixer operator (over one yard)	2.24
Flagman	1.55
Laborer	1.55
Operator of jackhammers—vibrators and all air, gas and electric tools	1.675
Operator of power shovel and/or other excavating equipment with shovel-type controls (up to and including one yard)	2.59
Operator of power shovel and/or other excavating equipment with shovel-type controls (over one yard)	2.69
Reinforced steel worker	2.25
Tractor operator	2.29
Truck driver (8 cubic yards water level capacity or more)	2.20
Truck driver (6 cubic yards less than 8 cubic yards water level capacity)	1.83
Truck driver (4 cubic yards and less than 6 cubic yards water level capacity)	1.74
Truck driver (less than 4 cubic yards water level capacity)	1.61
Any classification omitted herein not less than	1.55
Overtime—one and one-half (1½) times the above rates.	
Sundays and holidays—one and one-half (1½) times the above rates.	

Plans may be seen, and forms of proposal, bonds, contract, and specifications may be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California, and they may be seen at the offices of the District Engineers at Los Angeles and San Francisco, at the office of the District Engineer of the district in which the work is situated, and at the office of the Associated General Contractors in San Francisco.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Proposal Requirements and Conditions set forth under Section 2 of the Standard Specifications. Each bidder must be licensed and also prequalified as required by law. (See said Proposal Requirements and Conditions.)

The Department of Public Works reserves the right to reject any or all bids.

Jeff PTA Has Active Day

Members of Jefferson PTA had a busy and enjoyable day last Thursday.

In the morning, the executive board met for a business meeting and luncheon at the home of Mrs. Peter Bordson, 614 Templeton avenue. Mrs. Bordson was assisted by Martha Linden, Betty Kohlbrenner and Lilly Cavagnaro.

The group then went to Jefferson High school for a short business meeting to hear the proposed budget for 1950-51, which was submitted by Mrs. Jenny Diamond.

Mrs. Byron Jensen, president, presided at both meetings.

At 2:15 p.m., the home economics class, directed by Miss Elizabeth Jones, put on a very well produced fashion show, including play clothes, dresses, suits, coats and many other items.

Mrs. Stevens and the high school band furnished appropriate background music for the show.

Refreshments were served by the PTA.

NOTICE TO CONTRACTORS

Advertisement for Bids

NOTICE IS HEREBY GIVEN That the Board of Trustees of the Jefferson Elementary School District of San Mateo County, State of California, will receive bids for the erection, construction and completion of eight classrooms and administration unit upon public school property located at Market St. and Hillside Blvd., Colma, San Mateo, State of California, including all necessary labor, materials, services, transportation, etc., each bid or proposal to be in accordance with plans, drawings, specifications and other contract documents now on file in the Office of the Superintendent of Schools for said School District, at the office in the existing Administration Building, 344 Santa Barbara Ave., Daly City, San Mateo County, California, where they can be examined, and with Mario Ciampi, architect, 333 Kearney St., San Francisco, California, and copies of same may be obtained from said Architect at 333 Kearney St., City and County of San Francisco, State of California, upon deposit of $20.00 per set, which deposit will be refunded upon return of such copies in good condition within five days after the bids have been opened.

Bidders are hereby further notified that pursuant to the Statutes of State of California, or local laws thereto applicable, it shall be mandatory upon the contractor to whom the contract is awarded, and upon any subcontractor under him, to pay not less than the general prevailing hourly wage rate and the rate per diem wages and rates for legal holiday and overtime work in the locality in which this work is to be performed, for each craft or type of workman or mechanic needed to execute the contract awarded to the successful bidder, and all bidders are hereby further notified that they must ascertain from the proper authorities the said wage rates before submitting their bid. Bidders shall set forth in the bid the name and location of the mill, shop or office of each subcontractor who will perform work or labor or render service to the contractor in or about the construction of the work or improvement and the portion of the work which will be done by each sub-contractor.

Each bid shall be made out on a form to be obtained at the office of said Superintendent or at the office of said Architect, at the addresses hereinabove set forth; shall be accompanied by a certified or cashier's check or bid bond for not less than 10% of the amount of the bid and made payable to the order of the said Jefferson Elementary School District, shall be sealed and filed with the said Superintendent of Schools at this office on or before, Thursday, June 1st., 1950, at 8 o'clock p.m. of said day, and will be opened and publicly read aloud on Thursday, June 1st., 1950, at or about 8 o'clock p.m. of that day in the office of said Superintendent.

The above-mentioned check or bond shall be given as a guarantee that the bidder will enter into the contract if awarded to him and will be declared forefeited if the successful bidder refuses to enter into said contract after being requested to do so by the said Board of Trustees.

Successful bidders on labor and material contract work will be required to furnish, in the amount of fifty per cent (50%) of the contract price a Labor and Material Bond, and a Faithful Performance Bond in the amount of one Hundred per cent (100%) of the contract price; said bonds to be secured from a surety company satisfactory to the Board of Trustees.

The Board of Trustees reserves the right to reject any or all bids or to waive any informality in a bid, or to award a contract on the basis of the proposal which serves the best interest of the School District.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof.

Dated at Daly City the 27th day of April, 1950.

MICHAEL C. CALLAN
Clerk, Board of Trustees
(Published in the Daly City Record May 11, 18, 25, 1950.)

Girl Scout Day Camp Clean Up This Week End

Girl Scout day camp chairman Mrs. Don Hiett announced today there will be a work weekend at Camp Mattrup, in the Colma hills, this weekend.

Parents of Girl Scouts who would like to help please call Mrs. Hiett at JUniper 4-3486.

Meanwhile, training for leaders for Day Camp will be held June 1, 8, 15 at 101 Parkview and Camp Mattrup. Training will be under the supervision of Mrs. Muriele Pabst, day camp director; Mrs. Angie Thur, assistant director and Mrs. Gertrude Hiett, day camp chairman.

Registration day for leaders will be Saturday, May 27, at the following places: Broadmoor Community Center, Mrs. Margaret Damon; Bayshore, 208 Acacia avenue, Mrs. Robertson; Colma Community Center; Daly City, Peoria Scout house, 101 Parkview; Edgemar and Pacific Manor, 436 Fremont, Mrs. Robert Krankold; Sharp Park, Rockaway, Little Brown church, Mrs. Ally.

Studio Offers Dancing Lessons

The Carol Rae School of Dance has classes now forming in Spanish dancing.

Miss Arlette Tamigo, formerly of Mexico, and a professional Spanish dancer, is instructing the classes and also private lessons.

Classes still continue in tap, toe, ballet, acrobatic and baton twirling, with a limited number of pupils being accepted.

Miss Rae is teacher of the well-known Menefee brothers, who are on their way to Hollywood this summer to take screen tests.

Miss Rae has kept her pupils very busy of late performing for different affairs, as she believes the stage experience is essential in developing a well-rounded dancer.

For information call PLaza 5-0762.

Tulare Lake, which gave its name to Tulare County, is now in Kings County.

Lake Merced Auxiliary Greets Four New Members

At a recent meeting of Lake Merced Post No. 9921 Auxiliary four new members were initiated into the organization.

The initiation ceremonies were performed by ladies of the James Wilson Auxiliary No. 2310, Redwood City. New members include Mesdames: Marge Cowart, Hazel Eagleton, Ethel Diaz and Hazel Wirth.

Also, Mrs. Dorothy Heim was installed as musician for the organization by the Redwood City Auxiliary.

Meanwhile, that same afternoon the Lake Merced Auxiliary held a canasta party at The Colonial. Entertainment was furnished by Barbara Novgaard, singer, and Memory Gomez, who played the accompaniment.

All canasta players were reminded today that the June meeting of the Auxiliary will climax the season, and a grand prize for the tournament winner will be awarded.

OBITUARIES

Stephen Micienka

Funeral services are pending today for Stephen Micienka, 50, 749 Hanover street, who died of a heart attack Saturday afternoon.

Micienka was visiting with friends when he died. A resident of the East, Micienka had lived for the past six months with the Clarence Lack family.

His family, all of whom live in the east, are being contacted by the Lacks.

John Trollman

High mass was recited Wednesday at Our Lady of Perpetual Help church for John Trollman, 53 Liebig, who died of a heart attack Monday.

A retired cabinet maker, Trollman had been a resident of this area for the past 43 years.

He is survived by his widow, Mrs. Anna Trollman.

Funeral services were held at the W. C. Lasswell mortuary. Interment followed at Holy Cross cemetery.

BAYSHORE FIRE DISTRICT MEMBERS NAMED IN $19,000 TAXPAYER SUIT

A taxpayers suit against three members of the Bayshore fire district and a former commissioner was filed in superior court Wednesday.

The suit charges the men with having obligated the district for purchase of more than $19,000 worth of new fire equipment without having obtained approval of the voters and against the advice of the district attorney's office.

The charges of illegal expenditures were made by Harry G. Hermann Jr., 856 Schwerin street, who claims the district proceeded with purchase of a fire engine for $15,000, hose at $1,163, and a fire alarm system at $3,369, without submitting the proposition to an election.

Defendants are Erick Carlyle, Frank Scatena and Theodore Yaley, members of the commission, and Alfred J. Taylor, member of the district board until April 3, 1949.

Hermann asks the court to issue a temporary injunction injoining collection and disbursement of further public funds by the commission. This would halt the district from proceeding with acquisition of rights of way for new mains and installation of hydrants.

JACK ANDERSON Fights for his

LEGISLATION

PaloAlto TIMES--Apr. 27 — "Anybody who says Anderson doesn't fight for his bills is blinded by politics . . . His eight month campaign established Ames Laboratory at Moffett Field. He won a one-man battle for the national rubber resources bill. Over two presidential vetoes, he secured passage of legislation for Pillar Point Breakwater in San Mateo."

LET'S KEEP

Anderson For Congress Committee
George Millas, Secretary

Jack Z. ANDERSON IN CONGRESS

Only a DODGE "Job-Rated" TRUCK gives you all these advantages

You can turn it on a dime

. . . and save plenty of time, too. Back it up, turn it around, park it —you'll find shorter turns a cinch with a Dodge *"Job-Rated"* truck.

You can load it to the sky

. . . and cash in on b-i-g-g-e-r payloads. Whatever your loads, whatever your roads, you can haul a whale of a lot more in a Dodge *"Job-Rated"* truck.

You can run it for a song

. . . and have power to spare. You'll breeze right by the gas pumps . . . thanks to an engine that's *"Job-Rated"* for on-the-job thrift with power plus.

You can use it for an easy chair

. . . and be master of all you survey. It's *"Job-Rated"* so you look through the biggest windshield and relax on the widest seat of any popular truck.

You can count on it for keeps

. . . and get real dependability. Because practically every nut and bolt is *"Job-Rated"* to fit your job, your Dodge truck won't let you down.

To get everything about the "Job-Rated" story Come in today!

Now! FLUID DRIVE!

Available only on Dodge *"Job-Rated"* Trucks (½-ton, ¾-ton and 1-ton models). Ask us for interesting Fluid Drive booklet.

With all their extra value DODGE "Job-Rated" TRUCKS are priced with the lowest

City To Extend Knowles Street To J. S. Intersection

The traffic tangle at the intersection of Highway No. 1 and Junipero Serra soon may be eliminated.

At the Monday night caucus meeting of the city council it was decided to extend Knowles avenue through to Junipero Serra and the intersection of Highway No. 1. This will provide a direct route for those living in Westlake to get to Daly City. It will also eliminate a good deal of the traffic hazard now present at the intersection.

First step in the extension will be the installation of traffic lights at the Knowles-Junipero Serra intersection. The lights are expected to go up in the summer.

The Knowles avenue crossing will be in addition to the proposed extension of Hillcrest drive. This extension will join a cloverleaf traffic structure on the boulevard, part of which is now under construction.

As the cloverleaf is under the jurisdiction of the state division of highways, the city can do little to speed its construction. Mayor Paul Green reports the cloverleaf has been delayed for lack of funds.

Bayshore School Board Election

Bayshore residents today were urged to cast a vote for a school board trustee Friday, May 19.

There are two candidates seeking the position of trustee on the board of the Bayshore Elementary school district. The two are: Mrs. Bertha Hughes and David Barry. Both have been residents of Bayshore for at least eight years.

Votes may be cast at the Bayshore elementary school between 1 a.m. and 7 p.m. Friday.

Zanobini, Baher, Bollinger Star At Track Meet

Joe Zanobini, Jefferson High's ace cinderman, better known around the P.A.L. as (Iron Lung) racked up another upset as he ran off with a win in the mile run at Hollister last Friday night.

Jefferson, competing with 24 other high schools at Hollister, racked up 19 points to end up in 6th place, which is not so bad for a Jeff track team.

Zanobini, who just two weeks ago upset Bowen of Palo Alto, came back to upset him again, only this time Joe showed him just who is King of the Mile. As far as we are concerned, Joe is the champ and will put in a good showing at the N.C.S. meet this Saturday.

Joe ran the mile the same as he did in the P.A.L. finals, staying in third position for three full laps. Then on the back stretch of the last lap, Joe moved up into second place, thus putting Bowen of Palo Alto third. On the turn, Joe took over and passed Green of Palo Alto and left them both in the dust to win by 20 yards.

Though Zanobini was not the only Jeff star at Hollister, John Bollinger, who placed 3rd at the P.A.L. finals, came through in flying colors by upsetting in the 880 yard dash, thus taking first place.

In what could be called another upset for Jeff, big Vic Baher placed third in the shot put at Hollister. Baher, a junior at Jeff, took 5th in the P.A.L. finals, but with spirit in his heart, and strength in his arms, Baher pushed the shot 47' 8", which was good enough to give him third spot, and a chance to go to the N.C.S. meet.

If (and he should) Joe Zanobini wins the mile at the N.C.S. meet tomorrow, Joe will go on to the state meet, where he will meet Bower of George Washington high of San Francisco.

NEWS OF YOUR NEIGHBORS

Mrs. Jack Rainey, daughter of Mr. and Mrs. Rudolph Anderson, 203 Irvington, today is the proud mother of her first child. A baby boy arrived at Mary's Help hospital at 1:58 a.m. Wednesday. The lad weighed in at 6½ pounds. Mrs. Rainey and husband are now residing in South San Francisco. However, until a few months ago she lived in Daly City. Mrs. Anderson reports both mother and daughter are doing nicely.

Frank W. Straubel, 17, of 132 East Vista avenue, Daly City, will report July 7 to the U. S. Coast Guard Academy in New London, Conn., and take up where his father and grandfather left off—as third generation member and officer in the U. S. Coast Guard. Straubel, the son of Lieutenant and Mrs. Clyde L. Straubel, USCG (Ret.), will be graduated from Jefferson Union high school in Daly City in June. From there, he will begin his four-year college course that will lead up to a commission in the Coast Guard as an Ensign and a bachelor of science degree in engineering. His grandfather, a member of the U. S. Life Saving Service, which is now part of the Coast Guard, lost his life during a rescue mission at Frankfort, Michigan, in 1907

Mrs. William Howard, the former Hazel King, daughter of Mr. and Mrs. Gordon D. King, 52 Guadalupe, is visiting with her parents this month. Mrs. Howard will be in Daly City until June when she will move to Los Angeles to take up permanent residence. A former Daly City resident, Mrs. Howard is moving to Los Angeles, as her husband was recently transferred there.

Clara B. Dills, congenial county librarian at the San Mateo county free library is at present in the Eternal City—part of a three month European trip. In a postcard to the Daly City Librarians, she writes that: "words are inadequate to tell of the wonder of this great center of religion." Miss Dills goes on to describe the endless galleries and the library in the Vatican.

A. J. Gaggero, Daly City councilman, has been named acting president to succeed Floyd Tower of the San Mateo county fair association. Tower has been granted a year's leave of absense from commission duties. He stated that he took this step on advice of his physician. The fair association membership is appointed by the board of supervisors and has complete jurisdiction over the annual county fair and floral fiesta and over the county exposition pavilion in San Mateo.

Girl Scout Scoops

"May Day scooped the Scout Scoops and there were no scoops for this column! Speaking of May Day—don't you think there is something very specially nice about seeing all those girls in green Scout uniforms marching along in the parade? They are a credit to any community!

Many of those marching girls had camp Wasibo behind that sparkle in their eyes and when you hear what happens at camp this year—you will understand why—and even want to go yourself!

At Camp Wasibo the girls live in units of about sixteen girls of the same age range. Counselors especiall suited for that age range live there too. The adults help the girls plan their activities and accompany them on all phases of camp life. The program is a leisurely, happy one, but will be chock full of "things to do," such as hiking, crafts, (special plans this year), explorations, cook outs, campfires both in the unit and up on the top of the world at the Big Circle. There will be nature jaunts and dramatics, swimming and singing, sleeping and eating. There will be "Camp Capers" too, because we are Girl Scouts and all carry our share of the work to do—but it's always fun.

Special plans for the Senior Unit (which is to be in a new place) include a trip out to some new exciting place each session and the beginning steps in a program aid and Pre-counselor training.

Registration day for everyone will be Saturday, May 20, at the Girl Scout office, Town Hall in Colma on Camino Real. Registration fee is $2.00—camp fee for ten days in camp is $23.

Scout Scooper today is Anne Cheatham of Troop 2.

The girls in Troop 2 were busy last week fixing potted plants in little clay pots to give their mothers for Mother's Day. The plants were Transvaal daisies.

Mrs. Thur had to put the plants in the pots, because the flowers were delivered too late for the girls to finish up the job, but they had the pots all ready and decorated with little transfers of deer, rabbits, horses and things.

We didn't make cards, but we wrote verses or thoughts about our mothers.

Mrs. Pabst and Mrs. Heagney were given plants by the girls because they have done so much at camp for all the girls.

Remember Scoopers — start writing news of your troop and bring it to Mrs. Keith at 118 East Vista ave.—or call me at Juniper 4-3576.

SAVE OUR COUNTY GOVERNMENT

VOTE NO ON PROPOSITION A

at the June 6, Primary Election

A bold attempt is being made to seize control of our county government. If Proposition A carries, a dictatorship will be set up at the Redwood City Court House. One man will—

—CONTROL THE EXPENDITURE of all our tax money. There would be no curb on extravagance and waste . . . A DANGEROUS precedent.

—APPOINT CIVIL SERVICE Commission and seize control of 1000 County employes. That means PATRONAGE.

—APPOINT HEALTH AND WELFARE boards so that all on relief would owe allegiance to that ONE MAN.

—APPOINT A RECREATION Commission and DICTATE LOCATIONS and policies of Parks and Playgrounds.

—NAME APPOINTIVE HEADS of all County departments and thus SECURE A BEACHHEAD in every single County office.

—FILL ALL VACANCIES in elective offices; that is, appoint the Sheriff, Tax Collector, Assessor, School Superintendent, Etc., if vacancies occur in those offices.

Can You Conceive of Greater Power For Reckless Spending and Abuse by Political Patronage?

ONE MAN CONTROL IS DANGEROUS

Your NO Vote Will Defeat Proposition "A"

Citizens' Committee for Better County Government

Bocci Campaign Goes Into High Gear This Week

With the announcement that Thomas Bocci, Jr., has the support of all Daly City attorneys, the campaign to elect him Judge of the First Township, June 6, went into high gear today.

Bocci's headquarters also reported the endorsement of the Daly City Merchants Association and the Building Material and Construction Teamsters, AFL.

This lines up almost every professional, business and labor group behind the Daly City attorney's bid for the judgeship in the June 6 primary.

It also was brought out today that over the past years, the judgeship has always been held by a man from the Daly City area. Going back to Judge Johnson, Judge Clay, and more recently, Judge John J. Fahey, Jr., the man on the bench has been a representative of persons in this area.

However, the office is no longer held by a local man. Since the resignation of Judge Fahey January 1, 1950, the gavel is now in the hands of a man remote from the needs and problems of the northern section of the county.

"It is only fitting that the heritage of a Daly City man on the First Township bench should be continued," a Bocci supporter noted today. "I believe Bocci is the man to carry on the heritage in the fine manner of his predecessors."

Bocci was born and raised in this community, has lived here all his life, and practices law in the First Township. He is the logical man to carry on the tradition of a Daly City man on the bench of the first township.

M. B. O'Connor Speaks Of Children

M. B. O'Connor, chairman, and board member since its founding, of the Crippled Childrens' Society of San Mateo county, today issued the following statement:

"For the sake of all our children and particularly those who are mentally and physically handicapped, San Mateo county must have an entirely new administration to head its schools. It is vital to the welfare of our children that a county superintendent of schools be elected who is not involved in political entanglements and will not use the office as a means of enlisting selfish, personal acclaim.

"The history of the relations between the Crippled Childrens' Society in connection with the El Portal School and the top levels of the County Superintendent of Schools' office has been one of constant bickering and lack of cooperation. Requests to review the county budget for El Portal school (established and maintained through the efforts of the Crippled Childrens' Society), and requests for information about funds which might be made available for the school, have been repeatedly turned aside. There was even an attempt made to censor publicity of all fund raising efforts for El Portal School.

"This has resulted in mistrust and confusion on the part of the public and has been detrimental to the probram established to aid in providing education for handicapped boys and girls."

McGrath Answers Opponent's Talk

Sheriff James J. McGrath, candidate for reelection in the June 6 primary election, said today that "one of the many opponents in the sheriff's race against me advocates going over the heads of municipal police and authorities to 'establish law and order.'

"This is an alarmist cry raised purely and simply for political propaganda," said Sheriff McGrath.

"Policing of peninsula municipalities is within the jurisdiction of municipal authorities and when it gets so bad in the cities (which it has not) that an emergency cry arises for aid from the sheriff's office in law enforcement—that will be the time when not only my office will enter the picture but also the San Mateo county grand jury and the District Attorney's office.

"Every incorporated city in San Mateo county was created through the will and the ballot of the people who live in these peninsula cities.

New Orleans avoids flooding by the Mississippi River only by an expensive levee and spillway system, and the world's largest concentration of drainage pumps.

Kuchel Has Helped The State

Asking for reelection to the office of state controller, Thomas H. Kuchel today asserted that while he has been in office he has:

Simplified and modernized the administration of his office.

Successfully sponsored legislation which eliminated many existing gaps in the audit of state expenditures by providing an audit by an officer independent of the agency spending the money.

Installed modern check writing equipment to effect economies and to speed up payment of the state's bills.

Sponsored legislation to simplify state accounting practices.

Fahey Chairman For Pat Brown Election Bid

John J. Fahey, Jr., of Colma, former Daly municipal judge will serve as chairman of the San Mateo county campaign committee for the election of District Attorney Edmund G. (Pat) Brown of San Francisco as Attorney General.

John V. Lewis of Atherton, attorney, has accepted the co-chairmanship of the San Mateo county committee.

Fixa Has Good News For Stamp Collectors

Postmaster John F. Fixa today announced that effective on or about June 1, the following air mail service will be inaugurated:

Route AM-35 at Brookings, South Dakota.

Route AM-73 between Gallup, New Mexico, and Winslow, Arizona.

Route AM-86 at Escanaba, Michigan.

Special cachets will be provided for the above mentioned points and the usual treatment of philatelic main will be authorized.

First flight air mail covers sent to the above postmasters must be prepaid at the rate of 6 cents per ounce or fraction thereof, and single postal or post cards at 4 cents each. Double postal cards and double post cards intended for return reply purposes are not acceptable as first flight covers. All covers should be accompanied by a letter authorizing the holding of the covers for the first flight and requesting the application of the cachet. A space approximately 2½ by 2½ inches to the left on the address side of all covers is required for the cachet.

Covers receiving cachet at Gallup, New Mexico, will be dispatched southbound only to Winslow, Arizona and covers receiving cachet at Winslow, Arizona, will be dispatched northbound only to Gallup, New Mexico. These covers will be backstamped at terminal points indicated and dispatched onward to destination.

No provision will be made for point covers except as mentioned for Gallup, New Mexico, and Winslow, Arizona; however, at request of collectors, covers receiving cachet will be given directional service only to an office designated by the General Superintendent, Postal Transportation Service, and served by the first flight in each direction, and will there be backstamped and dispatched onward to destination.

Postmaster Fixa revealed that the first-day sale of the 3 cent Freedom stamp, National Capital Sesquincentennial Series, on April 20, 1950, resulted in 595,821 stamps sold at the Washington, D. C., post office. At the same time, 371,743 first-day covers were cancelled bearing the new stamp.

Enlistments In Navy Unlimited

The navy recruiting headquarters in San Francisco announced today that enlistments for the navy, during the month of May, with few exceptions, are unlimited.

The quota is limited for those enlisting under the high school graduate training program. Musicians, electronic's technicians, and the general service programs are unlimited.

Young men between the ages of 17 and 31 are asked to stop in at their local navy recruiting station and inquire about the opportunities the navy has to offer. Remember you don't need experience. If you show the right qualification, the navy may send you to a trade school and give you training, and teach you to be an expert in the trade for which you are qualified.

For further information telephone or visit the navy recruiting station, post office building, San Mateo. Phone DI 4-2781.

POLITICALLY SPEAKING

Draper Gets Strong Support

Strong support is being thrown into the campaign to retain Superior Judge Murray Draper on the bench of Department 3, Superior Court of San Mateo county.

This was reflected today in the list of representative county citizens who are taking a hand in Judge Draper's campaign with an eye to electing him by a record vote in the June 6th primary election.

The list of Judge Draper's campaign supporters throughout the county is as follows:

John A. Forsythe, Robert A. Hamilton, Richard C. Lewis, Albert H. Randall, Norman J. Corlett, all of Burlingame; Cliff Lussier, Thomas C. Moroney, Gaston J. Periat, Marion C. Pettengill, Leo L. Bloom, Claude J. Hirschey and M. B. O'Conor, of San Mateo and Joseph A. Ernest, Woodside.

In Menlo Park Charles R. Burgess leads the Draper supporters while over in the Half Moon Bay area publisher George B. Dunn is aided by Coastside civic leader Louise M. Williamson of Pescadero.

Poss Points At County Budget

Supervisor Martin A. Poss, who seeks re-election at the forthcoming June 6 voting, stated this week that his interest in continued economy in the operating of the county government without curailment of vital services, was indicated by last year's county department budgets when the basic tax rate was slashed an unprecedented 45 cents from $2.26 in 1948-49 to $1.81 for the 1949-50 period.

Poss and the members of the board have received the commendations of various county tax groups for making the greatest basic tax reduction last year of any county in the state.

Poss emphasized that the basic county tax rate is the only portion of the county tax structure which the board of supervisors has the power to raise or lower. He pointed out that all other taxes such as schools, hospitals, etc., are voted into existence by the people and are set up as law and cannot be altered.

Numerous Fairs, Fiestas Coming Next Week

Various fairs and fiestas to be held in California during the next week include:

May 26-28: 6th Annual Spring Show, Fairgrounds, Pomona.

May 26-28: Stumptown Days (5th Annual), Guerneville.

May 26-28: National Raisin Week, Fresno.

May 26-2830 Kern County Spring Festival, Kern county.

May 27: Childrens Folk Dance Festival, Hayward.

May 27: 24th Annual San Diego Union-Model Yacht Regatta, San Diego.

May 27-28: Portuguese Fiesta, Santa Clara.

May 27-28: Annual Stockton Water Regatta, Stockton.

May 27-28: Coronado Yacht Club Opening-Day Ceremonies, Coronado.

May 27-28: Sonora Pass Ski Meet, Stockton Ski Club, Sonora Pass.

May 27-28: General Buckner Yacht Race, San Francisco.

May 27-28: King City Stampede and Junior Rodeo, King City.

May 27-28: Alpine Days, Lake Arrowhead.

May 27-30: "Miss San Diego" Pageant, Pacific Beach.

May 28: Junior Horse Show, Contra Costa Horsemen's Association, Walnut Creek.

May 28: Annual San Diego Portuguese Fiesta, Point Loma.

May 28: Eagles Annual All-Western Horse Show, El Cajon.

May 28: Horse Show, Mounted Sheriff's Posse of Marin, San Anselmo.

May 28: San Joaquin Valley Rangers Home Show, Stockton.

May 29-30: 6th Annual Pioneer Day and Fiesta, Fallbrook.

May 29-6/4: Los Angeles County Spring Fair, Bellflower.

May 29-6/4; 10th Annual Al Bahr Shrine Circus, Lane Field, San Diego.

May 30: Opening and Dedication of Huntington Beach State Park, Huntington Beach.

May 30: Annual Memorial Day Services, Sutter Creek.

May 30: Alpine Festival, Lucerne.

May 30: Russian River Riders Horse Show, Benefit Lytton Home, Healdsburg.

May 30: Memorial Day Parade and Ceremonies at War Memorial, Civic Center, Huntington Beach.

Bradley Wages Unique Campaign

A unique campaign in behalf of a candidate for Supervisor is in full swing throughout San Mateo county today and will continue in operation until the June 6 primary.

The candidate is Ruth Bradley, business agent for the Laundry Workers Union No. 143. Mrs. Bradley hopes to represent the second district consisting of San Mateo, Belmont, San Carlos and other Peninsula cities. Due to the political set-up in San Mateo county, voting is on a county wide basis.

This unusual campaign is being conducted by the owners and operators of nearly every laundry in San Mateo county. In each package of laundry there will be inserted the following brief announcement:

"Due to her many years of pleasant and helpful labor-management relations, this management takes pleasure in sponsoring Ruth Bradley for Supervisor."

Knight Campaign In High Gear

An intensive drive for votes is being waged by Lieutenant Governor Goodwin Knight in the final weeks of his campaign for reelection, sparked by personal appearances in eighteen counties.

With more than 75 talks slated prior to the June 6th primaries, Knight is taking his campaign directly to the people. Last week in Fresno county, the candidate covered almost every community in two days, making 12 talks and going from store to store to meet the merchants.

The same informal approach to the voters will be continued, Knight declared today, as arrangements are being completed for him to "meet the people" in Orange, Riverside, San Diego, Ventura, Alameda, Contra Costa, Marin, San Mateo, Santa Clara Napa, Glenn, Monterey, Sacramento, Kern, Los Angeles, Sonoma, Solano and Santa Barbara counties.

Armed Forces Day Fete Saturday

Armed Forces Day will be observed in San Mateo county this week end.

Louis B. Dematteis, San Mateo county district attorney, will be the master of ceremonies at the observance to be held Saturday afternoon at Fitzgerald park, San Mateo.

The official program was announced today by Capt. James T. Keltner of the California national guard.

The show will open at 1:30 p.m. with a concert by the San Mateo high school band. At 2:20 p.m. the speaking program will get underway.

Shanley Gets Labor Backing

James F. Shanley, candidate for the elective office of San Mateo County Recorder, has received the endorsement of the San Mateo County A.F.L. Political Education Committee and the Peninsula Automotive Machinists, Lodge 1414 I. A. of M.

Shanley, formerly Deputy Collector, Internal Revenue Service, in charge of San Mateo county office for over sixteen years, is making an intensive campaign throughout the county on his excellent record as a public official.

He spoke recently at the Lafayette Club, Burlingame, and at the Colma American Legion Post No. 84 and La Honda Improvement Club, and was a guest of Mrs. Annette Alexander's Campaign Silver Tea at her Woodside estate.

Shanley is a resgistered Public Accountant in the State of California and a member of San Mateo Elks Lodge 1112. He has been a resident of the peninsula for over 32 years and lives at 908 Walnut street, San Carlos.

Judge Rapsey Outlines Program

Impending federal and state legislation affecting war veterans has been outlined to representatives of all American Legion Posts on the Peninsula by Judge Rudolph Rapsey of first township county justice court.

Judge Rapsey, himself a war veteran, appeared before the recent meeting of the Twenty Sixth District American Legion Auxiliary group by request of officers so that representatives of the various posts could carry back complete information on veteran legislation. This district legion met in South San Francisco Legion Hall.

Judge Rapsey particularly stressed the importance of yes votes on propositions Nos. 1 and 2, relating to veterans' farm and home purchase bonds and veteran tax exemptions.

QUICK CHARGING

When an automobile battery becomes discharged quickly, it can be satisfactorily recharged quickly. If the discharge has been gradual, however, the recharging should be done slowly in order to overcome sulphation, according to the California State Automobile Association.

Bridal Shower Given Jeanne Noble; She Will Wed Jack Palm June 18

With her wedding to Jack Palm set for June 18, Jeanne Noble was given a bridal shower by friends May 10.

The shower was held at the home of Miss Frances Anderson, 316 Winchester. Assisting Miss Anderson was Mrs. Viola Ventura.

Carrying out the theme of wedding bells, miniature bells hung from the ceiling of the front room and dining room. Green and yellow flowers (the colors to be worn by the bridesmaid) continued the wedding motif throughout the home.

Jeanne is the daughter of Mr. and Mrs. James Noble, 135 Woodrow. She is a graduate of Jefferson high school and San Francisco City college. Presently she is employed by Pacific Telephone and Telegraph company.

Jack is also a graduate of Jefferson high, as well as the University of California. He is well known in Daly City as the pharmacist at McGraw Drugs.

Present at the shower were Mesdames: Ada Palm, Cecelia Clark, June Plank, Mary Robbins, Doris Maita, Helen Powell, Viola Ventura, Betty Noble and Misses: Gloria Bacigulapi, Corinne Noble, Francis Anderson and Barbara Hendrickson.

SAFE PLACE

Pedestrians as well as motor vehicles must heed the approach of emergency vehicles. A new provision of the California Vehicle Code requires pedestrians to remain in or proceed to a safe place immediately when warned of the approach of an emergency vehicle, points out the California State Automobile Association. The warning must consist of an audible signal by siren, and at least one lighted red lamp.

California's total lead production since the metal was first mined in the 1860s has amounted to about one-half of one per cent of the national total.

Burlingame Man To Head Inquiry

H. G. Robinson, 47, Burlingame, is the new director of the under cover work of a special senate committee's inquiry into organized crime and gambling.

The San Mateo county man was appointed to the position Tuesday by the senate committee's chairman, Estes Kefauver (D. Tenn.). Robinson has been chief investigator for the California crime commission since September, 1948.

He will leave for Washington, D. C., later this week.

GO SOUTH OF THE BORDER FRIDAY NIGHT WITH JEFF HIGH CAPERS

Friday night is the night.

What night? Why the night for "La Carioca Capers" at Jefferson high school auditorium beginning at 8 o'clock.

If you don't go, here is what you'll be missing: Senoritas Bettie Duffy, Susannah Wilson, Nancy McCaffrey, Jeannie Nay, and Senores Jack Wilson, Jim "Pepe" Albera, Bob "Gordo" Holtzer, all of whom will do feature acts.

Naturally there is a chorus line of seven beautiful "Spanish senoritas."

Jefferson's own Don "Cugat" Lunghi is the master of ceremonies and does he enjoy his job!

The beautiful costumes alone are worth the price of admission. The costumes were designed by Donna Reed and mother.

You will be so busy keeping in rhythm with that below-the-border music of the band that there will be no time for any regrets.

We'll see you Friday night at 8 o'clock for the performance of "La Carioca Capers," especially you parents, as it is for your particular benefit that the club is putting on this show.

Dolwig Tongue "Lashes" Opponent

Richard J. "Dick" Dolwig verbally lashed his opponent for conducting a "smear campaign."

Dolwig went on to say that his opponent was either dealing in direct misrepresentations or was "shockingly uninformed."

The assemblyman said, "It appears my opponent, and his advisors, are unable to successfully attack my record."

Dolwig told the capacity crowd, "he regretted it was necessary for him to take time to answer "misrepresentations" advanced by his opponent. This valuable time, said Dolwig, could better be used to report to the people of San Mateo county on the accomplishments of the past four years."

In referring to "direct misrepresentations" Dolwig spoke of the recent charges that he failed to take any part in anti-lobby laws.

Portrait of an electrical appliance—King Size!

New Rock Creek hydroelectric plant, on Feather River!

This is just as much an electrical appliance as your toaster. We plugged it into the Feather River just two months ago. Instead of making toast, this modern hydroelectric plant keeps busy turning out 169,000 horsepower. That's enough to run all the toasters, and everything else powered by electricity, in the combined cities of Berkeley, San Jose, San Leandro, Fresno and Redding!

This is the 7th giant electric power plant built by P. G. & E. since V-J Day—to bring you vastly increased power—1,156,400 horsepower of new installed capacity—to help you run your household, do your chores.

As the West grows, as new homes, farms and factories come to Northern California, P.G. and E.'s resources grow, too. By next summer, for example, we will have an additional 670,000 horsepower ready to go to work.

For the record

Everything gas and electricity do to make your living easier costs less in California. Even heavy farm chores are cheaper here when electricity takes over. P. G. and E. rates are among the lowest in the U. S.

P. G. and E. service does so much . . . costs so little

FISH AND GAME NOTES

by Jimmy Fox

Some of the most eager fishermen I know are the newsboys who hold down the corner at the top of the hill.

You can find them any afternoon at the signal by McGraws' drug store hawking the Call-Bulletin and the S. F. News. Vernon Waligora and Frank Cirimele are the names and they attend Perpetual Help School. In between paper customers they talk of fishing with their friend Gary Galli who attends Crocker School and boasts of having caught 3 fish in Lake Merced already. Also says he has lost lots more that fell off the hook before he could get 'em on the pier.

We know all three boys are good boys because their spare time is well occupied with an excellent hobby. They will be busy all summer fishing and planning more fishing trips.

We learned a lesson in Sportsmanship from one of these boys last week. Seemed that one of them was buying an extra amount of tackle for Salmon and Stripers. It's unusual for small boys to do a lot of that sort of fishing because of the expense and extra travel involved. Then one day a customer came into the hardware store and purchased the best reel for salmon and 300 yards of the best line and asked us to deliver it to Vernon Waligora and say who purchased it. As this was an unusual request we asked for a bit of the story behind it. Seems that several months ago Vernon and his dad were fishing and when they left for home a tackle box was left behind. The blame wasn't placed on anyone but Vernon decided it was his mistake so he has been replacing dad's lost tackle a piece at a time from his hard earned paper money. There's a boy who will be a fine citizen when he grows up for he is off to a good start. More power to him, and to all you dads I can say sincerely, take that boy fishing!

SHOOTERS

Sunday was a rather miserable day but it didn't seem to dampen the spirits of the Daly City rod and gun rifle and shotgun shooters. They turned out bright and early (well early anyway) at the coast-side rifle range in Pedro valley for the clubs annual shoot. After it was all over we decided the only guy that should have gone done there was Jack Tranberg, for he was the guy who won all the hardware we give as prizes. Wonder where he will stack all the trophies?

Jack on the first place trophies in the trap shoot, big-bore shoot and the small bore shoot. Only thing he missed was the deer shoot perpetual trophy which ended in a two way tie for first by George Archer and Gen Whinnen.

In the shootoff for the trophy Archer beat Whinnen by just 2 points so he ended up with the Gold Cup. Second places in the events were as follows: big bore, Jimmy Fox; small bore, Cliff Nysted; deer shoot, Gene Whinnen; trap shoot, Al Speers.

Third places were big bore, Gordon Sullivan; small bore, Jimmy Fox; trap shoot, George Lech; and deer shoot, Ed Nenstiel.

In all the shoot was a good time and the fellows are now nursing sore shoulders and a few colds. It was raining almost all morning.

Worst shots in the trap shoot and therefore good conservationists were Cliff Nysted and Leonard Mejia. Between them they broke only 4 birds out of a possible 50.

COMING EVENTS

Next event on the Rod and Gun calendar is a salmon fishing trip this Sunday out the Golden Gate. Next week we will have a few fish stories to tell you.

Speaking of fish, the deep sea fishing boys hit it good last week and really hauled 'em in at Princeton. One fellow (name withheld by request?) had over 40 pounds of fish and couldn't give them away. It's a good way to lose a friend; just give him a nice fresh ling cod or it's ugly brother the lowly cabazone.

Striper trolling up in the Antioch area has started and points to an early bonanza in the upper bay.

Some large fish have been taken up to about 25 pounds by trolling and the bait fishing average remains at about 12 pounds. The fish are slowly moving down into the bay. Ocean beach fishing is about due for the yearly upswing. The minus tides which will be along the early part of June should bring the beach run of fishing along very nicely.

MEETING

Went to a meeting of the California Huntsmen the other night and had a very enjoyable time. They have a paragraph in their by-laws which prohibits the mention of angling or anything to do with angling while at a meeting. Guess what was on the menu? Of all things it was fish. Yes that's right, one of the boys had promised a fish feed and he was there to keep his word. Plenty of 10 cent fines were paid before the fish was cooked. Jack Baker of the Huntsmen caught the fish in Clear Lake and his friend, Al Guizat, helped him cook them for us.

We didn't take the time to count how many there were but the catch included cat fish, crappie and blue gills. I don't remember how many I ate but there were 2 plates of well picked over bones piled about 10 inches high in front of me. Beer, potato chips, coffee and doughnuts completed the menu. Now they are planning a venison feed for later this fall. I'll be there for sure.

Don't forget the date for the first meeting of the Junior Sportsmen on June 7, the first Wednesday of the month. The application blanks will be ready the end of this week. The program is coming along fine and is going to keep a lot of kids busy this summer.

Bruno Haceta, a Spaniard, was the first white person known to have landed on the Oregon Coast, in 1775.

SPORTS

JEFF NINE IN THREE WAY TIE

Indians Expected To Enter Finals For League Crown Tuesday & Friday

Behind the brilliant four hit pitching of Ed Cereghino, the Jefferson high Indians came from behind to whip Sequoia high by the score of 10-2 in the first of a 3 game series at Flood Park last Tuesday afternoon, May 16.

Coach Glenn South's Indians ended league play in a 3 way tie with Sequoia, Palo Alto and South San Francisco.

After a flip of the coin, Jeff was to meet Sequoia in one series and Palo Alto and South City in the other series.

The winner of each series will meet next Tuesday, and Friday for the P.A.L. championship.

Jefferson now holds a 1 game lead over Sequoia as does South City over Palo Alto.

If both Jeff and South City can win again today, they will fight it out for the championship.

WARRIORS WHIP INDIANS

Last Friday, the South City Warriors upset the Jeff Indians by winning 4-3 in one of the most thrill ball games this year.

Jim Hatchel started on the mound for Jeff and after 2 and 2/3 innings of pitching, Hatchel had to be relelved by Ed Cereghino because of his control.

South City scored another run in the 4th off 1 hit, and three stolen bases.

Jefferson came back to tie the game up in their half of the 4th inning. Goodnol walked, Cereghino singled to left field, as Lunghi walked to fill the bags. Mosman walked to walk a run in. Morgan flied out to deep left field scoring Cereghino on the play This tied the game up 2-2.

The game went pretty well from here on in until the 7th and last frame. In Jeff's 7th, Goodnol struck out as Cereghino grounded out. Walked to first, Lunghi stole second as Mosman lined a single into left field scoring Lunghi. This put Jeff out in front by a 3-2 lead.

The things started to happen in South City's half of the 7th.

The first batter walked but was thrown out at 2nd base on an attempted steal. The next batter singled as the third grounded out. With two on and two down, Cereghino gave up a single into center field where Lunghi made an error on the play. Two runs scored and South City defeated the Jeff Indians for the second time in a row. They beat the Indians last year in a free hitting ball game 8-1.

THREE SEQUOIA PITCHERS

After only getting 2 hits in the South City game, the Jeff batmen came back to collect 12 hits off three Sequoia pitchers, including Sequoia Ace, Tom Del Sarto.

Griggs started on the mound for Sequoia and had to be relieved in the middle of the 3rd inning, by Del Sarto. Del Sarto finished the third but was hit so badly in the 4th and 5th he had to be pulled out and be replaced.

Sequoia took the lead of 1 to 0 in the first inning and 2 to 0 in 3rd before the Indians could score.

Sequoia's end came in the 4th ining. Mosman grounded out, as Morgan and Findlay both singled into left field. Matzek walked, filling the bags with Jeff runners.

By this time, Griggs had had enough, and Del Sarto, a left handed pitcher came in in a tough position. With the bags loaded and 1 down, Roy Childress hit a lining single to center field scoring both Morgan and Fidlay, thus giving Jeff a 2-2 ball game.

Hitting seemed to be no trouble for the Indians and they came right back in the 5th to blast Del Sarto off the mound.

Leading by two runs, 4-2, Jeff came back to score some more runs off Lopez, Sequoia third pitcher, in the 6th frame.

Goodnol singled into center field, advanced to second on a wild pitch, and this time Lopez was caught in a balk, thus putting Goodnol on third.

Leading by a 7-2 count, Jeff again came back in the 7th to score 3 more big runs. Matzek walked, Childress and Gianecchini struck out.

Goodnol singled again and reached second on an error as Matzek came home, all the way from first base. Cereghino came up and lined a single through the box, scoring Goodnol off second. Lunghi again became the hero by clotting a single into right field, scoring Cereghino. With a 10-2 score, Cereghino retired the sides in the 7th and took his 6 win in PAL play.

Jeff's Cady Ties PAL Swim Record; Palo Alto Wins

Palo Alto, the defending champs of the PAL swimming world, repeated themselves again by edging Sequoia High by the score of 69½ to 50½ at the P.A.L. swimming finals last week at Burlingame.

There were not many records broken, two in all, but there were a few that came close to it, one by Jeff's Norm Cady.

Cady, who has yet to meet defeat, tied the P.A.L. 50 yard free style in the 30's division.

Cady will meet some tough competition tomorrow (Saturday) at the N.C.S. where he will swim against the best swimmers in Northern California.

In the varsity division, Les Nicolini of Jefferson took a good second place in the 100 yard free to earn his way to the N.C.S. meet.

Standly Davis placed third in the Ind. Medly which will enable him to go to the N.C.S. meet.

The records that were broken in the finals were the 200 yard free style record. The old record, which was only a year old, 2:11:0, was torn down to 2:08:4. Also, the 100 yard back stroke was broken down to 1:07:6, as the 50 yard free style record was tied at 25:2.

As Cady took the 50 yard free style in the 30's, Jeff's Loyde Isdahl placed 4th in the 30's 100 breast. Bill Allen, another Jeff up and coming swimming prospect, took 4th in the 30's 100 free.

In diving, Ed Galindo, one of Jeff's most up and coming aces, took second place as he nosed out his team mate Don Espinoza, who took third also for Jefferson.

The Jefferson 30's relay team tied with Sequoia, so both team will go to the N.C.S. meet as will Galindo and Espinaza.

Sunday Games

Class "AA" American League

2 p.m. — Gelsi's Cavern vs. Galico Salami, Marchbanks.

SMJC Golfers Win Conference

San Mateo Junior college golfers won the conference championship by defeating Sacramento JC Saturday.

The baseball team closed its conference season by downing San Francisco City college 10-5, and John Simmons, Matean track star, set a new broadjump record for junior colleges at the Fresno Relays when he leaped 24 feet, 11⅛ inches to better the 1938 mark set by Jackie Robinson.

This week the men and women of the Jaycee swimming club are presenting their annual spring aquacade in the Coyote Point pool. Tickets for the numerous performances will be sold at the pool.

Saturday the junior college will give entrance examinations to students who plan to enter the junior college next September. The aptitude and interest tests will be offered at eight o'clock in the college auditorium, and the English placement tests will be given at one in the afternoon.

This weekend two editors of the college newspaper, Ric Teaque of Menlo Park and Win Griffith of Burlingame, with their adviser, E. A. McAllister, will attend a press conference at the University of California.

Monday evening Community Hall of the college adult center will close its spring series of lectures with a talk and pictures on the topic of "Jeeping through Japan." The public is invited without charge to the program at 7:30.

Gelsi's Drop First Summer League Game

Gelsi's Cavern got off to a bad start in the summer league last Sunday, dropping their first game to New Pisa 5 to 1.

Things weren't looking so bad for the boys until the last half of the eighth. Then the score was 2 to 1 in favor of New Pisa. At that point New Pisa cut loose, and drove in three runs.

Despite the score, Arata, Krohn, and Lucia played a good game. They each got two hits.

It was the old story. Gelsi's hit the ball hard enough, but it was always into someone's mit.

Cereghino, Findlay Named To 1950 PAL All-Star Nine; Mosman On Second Team

Jefferson High school's claim to fame in the baseball world received a big boost this week as two Jeff lads were named to the 1950 Peninsula Athletic league all-star team.

Ed Cereghino, who to date has pitched five wins and lost but two, was named lead pitcher on the all-PAL league.

And backing him up as all-PAL league catcher was Alex Findlay, a Jeff high senior with a .389 batting average.

Jeff also was represented on the PAL second team with speedy infielder Harold Mosman, who has a .292 batting average. Mosman was the only Jefferson man selected for the second string team.

Members of the teams were selected from personal observation of the men in action, perusual of individual records, and weighing the recommendations from the league's baseball coaches, Art Knight, San Mateo Times sports editor, noted.

Other members of the first-string champion team include: Randy Curtiss, pitcher, Palo Alto; Fred Blaisdell, Sequoia; Dick Barone, San Jose; Bob Brogan, Palo Alto; Don Bourbin, Burlingame; Bill Kahler, San Mateo; Dick Stuart, Sequoia; Don Cordo, South San Francisco.

SSF WINDBREAKERS TO FACE SM TEAM

With their first win under their belt, 5-3, over Burlingame last Friday in the opener of the Peninsula AA Softball League, the South San Francisco Windbreakers this Friday face the San Mateo league team at San Mateo, hoping to make it two in a row. San Mateo, which last week defeated San Bruno, 9-2, faces the stellar pitching Friday of former All-American softball champion Robert "Bob" Spillers, who is a candidate for Sheriff in the June 6 primary election. In other league games Friday the first-game losers, Menlo Merchants, meet Burlingame at Menlo, and winning Redwood City plays San Bruno there. Pictured with Bob Spillers (top left above) are the Windbreakers' players, including Lee Boeschin, Charlie Rudoni, Gay Costa, Guido Budelli, Vince Bianchini, Gene Lovi, Andy Boido and Til Bazzani.

Catholic Guild Presents Play

The oft-painted visitation of St. Francis of Assisi with the birds will be depicted in a unique combination of lighting and sound effects in the Catholic Theater Guild's Centennial year production, "The Marriage of St. Francis," to be presented May 18, 19 and 20 at the Veterans Auditorium.

In the role of St. Francis will be Leon Forbes, well known for his starring roles with Bay Theater, and Dixie Shaw will portray Lady Poverty. Andre Ferrier is directing.

Henri Gheon's inspiring drama about the patron of the city of San Francisco depicts the transformation of Francis from a wealthy, self-indulgent youth to a penniless mendicant who gave up all his earthly possession for a lifetime of pauperism and sacrifice, symbolized by his espousal of Lady Poverty.

Burlingame To Build $100,000 Sewage Plant

Work on a $100,000 sweage disposal plant in Burlingame is scheduled to start early this fall, it was learned today.

City Engineer K. S. Fitch recommended that plans to operate a joint plant with Millbrae be abandoned and that the city go ahead with its own expansion proposal.

The council will discuss the proposal at its regular meeting this Monday evening.

WHERE TO BUY YOUR DALY CITY RECORD

Your Daly City Record now may be purchased on Friday of each week, and the days thereafter, at Lee's Prescription Pharmacy, 6389 Mission, or Frank's Smoke Shop, 6264 Mission.

And of course, extra copies are always available at the Record office, 3317 San Jose avenue.

However, to save money, and get news of your neighbors and city each Friday of the week without failure, why not subscribe to the Daly City Record? The subscription rate is only $3 a year. Full information may be obtained by calling JUniper 7-4321.

The northern manufacturing section of New Jersey is sometimes called the "American Ruhr."

PARENTS SHOULD CAUTION CHILDREN

Parents should caution their children against show-off tactics while riding bicycles, advises the National Automobile Club. Wild cycling may seem like fun to a child, but it endangers his own life and the life of the motorist.

Colma Family Injured In Wreck

Three members of a Colma family were injured Monday afternoon in a five-car crash on Bayshore Highway near Mt. Diablo street, San Mateo, police report today.

None of the three was seriously injured. Hurt were: Mrs. Levolia Norris, 45, forehead cut; Katherin Byrd, 5, knee scratches; Jo Ann Phillips, 6, knee bruises. Both young children are Mrs. Norris' granddaughters.

They were treated at Mills Memorial hospital. Police said the injured were riding in a car driven by Albert C. Norris, 42, Colma truck driver.

His automobile and four others piled up, according to officers, when a car in front of them attempted a left turn off the highway.

FRENCH RECLAIM SWAMP LAND—Workmen start the first day of work in the reclamation of France's largest swamp, the Marais Vernier, which is 5000 acres. With the help of Marshall Plan aid, the French hope to restore the valuable farmland to use. The swamp is located in the Seine Estuary region in Normandy.

GOING UP—Robert E. Miller, research design engineer at Illinois Tech in Chicago, shows assembly of the high-altitude thermometer which is to be sent 80 miles into the air by rocket. Radiation and temperatures high above the earth will be measured if the experiment is successful.

Educators Back Henry Hall

Over 80 per cent of San Mateo county's school principals and superintendents are endorsing the candidacy of Henry C. Hall for election to County School Superintendent at the polls on June 6, according to Admiral S. B. Johnson, Hall's county campaign manager.

The news of this support for Hall by a majority of the county's leading school executives, did not come as a surprise to those who have followed the present assistant county school superintendent's long and distinguished career in the county schools, Johnson said.

"Our county educators," Johnson further stated, "realize the importance of providing our youngsters, particularly those in the elementary grades, with a thorough training in fundamentals."

"Knowing that Henry Hall has always emphasized the vital need for fundamental teaching in the grade schools almost all our county school officials feel that he should be elevated to the superintendent's position by the voters at the June election," Johnson said.

PROTECT YOUR COURT

REMEMBER:

There is no substitute for humane judicial experience.

—oOo—

Retain Judge Rudolph A. Rapsey as YOUR Judge of the all important first township justice court serving South San Francisco, Daly City, San Bruno, Brisbane, Bayshore and Coastside.

EXPERIENCE—7000 cases handled as City Judge and as YOUR Justice Court Judge—handled not to the cold letter of the law but with compassion and humane consideration.

STABILITY—26 years of law counseling in your home county of San Mateo with offices in San Bruno, and court offices now also in South San Francisco and Daly City.

INTEGRITY—Overwhelmingly endorsed by the San Mateo County Bar Association (by a vote of 54 to 3).

WAR RECORD—The only war veteran candidate for this office.

FOR Justice of the Peace
JUDGE RUDOLPH A. RAPSEY
Incumbent
X

DeSalvatore Answers Charges

Charging that grand jury criticisms, official complaints and public sentiment more and more are demanding a change in the county controller's office, Charles DeSalvatore today is continuing his intensive campaign for election to the office June 6.

He has received, his supporters said, widespread endorsements from every section of the county.

DeSalvatore's backers declare that virtually every grand jury since the incumbent controller took office, has found fault with him for his failure to fulfill the requirements of his office. This failure, they claim, can cost the taxpayers thousands of dollars, and, according to one grand jury, already has done so. They cite the $30,000 increase in the cost of operating the controller's office as far out of line with the type of service being given.

DeSalvatore himself said the people are not getting the kind of service they have a right to expect from their controller. He declares his experience and knowledge of modern accounting, his ability to do a full-time jub, and do it well are his qualifications for the office. He adds he will see to it that there is an end to negligent and careless accounting of the people's money, and to tax leaks in so far as the controller's office is concerned. He stressed the importance of the office as the final check on the spending of county government money.

PULLING OUT FROM CURB

Be sure that that outside lane of traffic is clear before you pull out from the curb into the moving stream, advises the National Automobile Club. A backward glance may save you the cost of repairing damaged fenders, or broken bones.

Trout fishing in Fresno County was fair to good during the past week, reports the National Automobile Club. Streams have been clearing up and the sport has been especially good on Huntington Lake.

Thompson seedless grapes produce most of the world's raisins.

San Luis Obispo has been the county seat since 1850, when the county was organized.

As gold has been banned by the Federal Government for coinage, it is now used principally in jewelry and dentistry.

When California's first public school opened in San Francisco, April 3, 1848, there were 60 school-age children in the community.

Congressman Richard Nixon confers at Whittier College with group of severely handicapped persons who seek legislation to aid them in vocational rehabilitation. Left to right, Robert Smith, who seeks to become a piano teacher; Smith's seeing eye dog, Nonee; John Gallant, news and handicraft merchant; Janice A. Beals, who wants to become a speech therapist; Congressman Nixon, and Gaile A. Wetrich, who became a watchmaker through vocational rehabilitation. Nixon promised to support their cause in a bill now pending in Congress.

April Healthy Month For D. C.

Daly City came through April with an almost clean bill of health, the public health division of San Mateo county reported today.

During the month, only one case of chicken pox, gonorrhea, mumps, pneumonia, strep infection, syphilis and tuberculosis was reported. Considering the population of the community, the disease rate is relatively low.

In their monthy bulletin, the division reminded the public that the quarantine on mussels is now in effect and will be so until October 31. Deaths frequently occur when individuals take chances and eat local gathered mussels during the season that they may be toxic, the division warns.

Clams taken from the same areas should be cleaned and washed thoroughly before cooking, and all dark parts should be discarded as the poison when present in clams is concentrated in the dark parts.

200,000 Noses Expected In County

Census Supervisor Paul Bean announced this week that the population of San Mateo county is expected to reach 200,000.

Workers have completed about 96 per cent of the job of counting noses in the county, Bean said.

The 1940 census showed a total population of 111,782 for the county.

Deadline for the completion of the census has been set as June 30 by Washington officials.

BLACK BASS ANGLERS HAVE FAIR SUCCESS

Black bass anglers have had only fair success during the past week along the streams of Tuolumne county, according to the National Automobile Club. Best fishing has been had along the lower Tuolumne river.

Iodine is extracted from waste water produced by oil wells.

YEARLY AVERAGE RAINFALL

The yearly average rainfall at Phoenix in Arizona is reported by the National Automobile Club to be only 7.74 inches.

Parlor Gives 25 Year Pins

At the forty-eighth anniversary banquet of Genevieve Parlor No. 132, NDGW, recently, 25 year pins were given to 18 members for continued service.

The following received pins: Margaret Brady, Lillian Goelzer, Evelyn Kilkenny, Olga Kastellick, Ellen Danz, Margaret Healy, Mabel Ehrman, Mae Keane, Carolyn Kerwin, Ann Widman, Elsie James, Kitty Olsen, Rose Regan, Viola Filippi, Mae Carson, Elsie Doty, Lillian Weisel and Mae LaSalle.

Meanwhile President Gertrude Matulich apointed the following members to serve for the year on the veterans welfare committee, Mesdames: MayGiblin, Eileen Shutter; Misses: Kathleen LaGrave and Eileen Connolly.

Anderson Lists Itinerary

A busy intinerary is being scheduled today for Jack Z. Anderson on his return from Washington, D.C., on Friday, May 19, to start his campaign for re-election as Representative from the Eight Congressional District of California.

Strong, bi-partisan support is in evidence throughout San Mateo county and in other counties embraced in the district, looking toward Congressman Anderson's re-election. This is because this 46 year old Congressman, who is the second ranking member of the entire California delegation, transacts federal business and achieves results for the people of his district, irrespective of party affiliation.

On the evening of May 19, a reception has been arranged to honor Congressman Anderson at the home of Miss Caroline Fisher, 761 Tamarack avenue in San Carlos. Following this, he is to appear at the American Legion Hall, Redwood City, where a dance has been scheduled by the Reserve Officers' Association of San Mateo county.

On Saturday, May 20, at a Defense Day program starting at 1:30 p.m. in San Mateo Park, Anderson is to be the main speaker. He is due back in Santa Clara County at 4:00 p.m. that day.

On Sunday, May 21, Jack Anderson is to address a veterans group at San Bruno. Thereafter, for the remainder of the day and evening, he will be in San Carlos to attend a series of neighborhood meetings arranged by Jack Kemp, Jr., local chairman.

For the Memorial Day program at Golden Gate National Cemetery Congressman Anderson is to share speaking honors with Congressman Richard Nixon, candidate for U.S. Senator from California. On the following two days he will visit the Coastside and north county cities.

Bocci Draws Support From All

Bocci's support draws from the ranks of firemen, veterans, and civil service employees as well as from among the ranks of labor.

Leo Cortesi, campaign manager for Thomas L. Bocci, Jr., candidate for justice of the peace in the South San Francisco area, recently announced the formation of a strong group of volunteer firemen, veterans and civil service employees from the coastside areas, Brisbane, Bayshore City, Lomita Park, as well as South San Francisco, in support of Boccis' candidacy.

Cortesi states that the support of these various groups without solicitation indicates not only the strong following that Bocci has, but also attests to his proven ability as an attorney. These groups have expressed themselves as desiring a young man of proven worth for this office, and from their experience, have tabbed Tom Bocci as the logical successor to Judge Fahey, Bocci's law partner.

Bocci just recently was endorsed by the San Mateo County Building Material and Construction Teamsters Union.

Nixon Speaks To California

A new champion has arisen on the American political stage.

He is Congressman Richard Nixon, of Whittier, whose honest and realistic approach to the problems of the people of California and the nation, are winning the acclaim of the voting public.

When Nixon announced his candidacy, he promised he'd take his campaign directly to the "grassroots" of the state, talking to people wherever they'd listen.

That's what he has done and is doing. He's talked to thousands of men and women—on the farms, in the oil fields, on street corners; to agricultural and industrial workers, to shopkeepers, to crowds at box suppers, and before civic and veterans' organizations.

Anyone who thinks a barnstorming tour of California by a candidate for U. S. Senator is a pleasure trip and good clean fun, simply is not acquainted with the facts.

TROUT FSHING ON CONN LAKE

Trout fishing on Conn Lake was fair last week, according to the National Automobile Club. Anglers fishing from boats seemed to be having the best luck.

STRIPED BASS FISHING GOOD

Striped bass fishing has been good during the past few days along the Sacramento River in the County area, reports the National Automobile Club. A fair number of sizeable fish have been landed.

NEWS FROM THE SCHOOLS

JEFFERSON

The first grade during their art period completed Mother's Day booklets. Original baskets of flowers adorned the covers while appropriate verses to Mother were composed and printed within.

Those with outstanding booklets were Urbano Maffei, Dennis Lakins and Joyce Bacigalupi.

The second grade has been enjoying their period of music appreciation since they have acquired some new records such as the Concertina, Let's All Join In, Little Indian Drum and Penny Whistle.

These records have helped not only to entertain and hold the children's interest, but have provided a satisfactory and emotionally educational experience at a second grade level of development.

The third grade has been experiencing the wonders of science. Experiments demonstrating the power of air have been conducted by the members of the class. During their milk period, Philip Fair explained to the class why milk rises in a straw. Carolyn Dennis demonstrated the action of air when trying to pour from a bottle of water. Richard Landie showed the force of air by lifting objects with an inflated paper bag. The children are setting forth their own problems for solution and are realizing the importance of an understanding of the wonders of nature.

CROCKER

Crocker Student Body was privileged to represent Jefferson School District, with a representative group of boys and girls, at the County Safety Program held at Turnbull School, San Mateo. Through the cooperation of the always willing Crocker PTA mothers, six private cars, driven by Mrs. Hopman, Mrs. Affolter, Mrs. Mullen, Mrs. Thur, Mrs. Bookey, (driving for Mrs. Ingersoll) and Mrs. Blackburn, transported twenty-four boys and girls down the highway. Superintendent Snell, transported the "props" necessary for the program — microphone, califone, posters, "Crockerola Television," (a homemade set, constructed by students,) etc.

Crocker's participation in the program was entirely student conducted, with vice-president Dick Kalinin acting in the capacity of emcee. The program included integrated arithmetic and safety charts and discussion, by Dick Hopman, Robert Pool, Shirley Evans, and Sharon Rather; an original acrostic by announcer Arthur Eikenberry, assisted by Carol Todhunter, Diane Borguson, Phyllis Thur, Stephen Jack, Jay Hendon, and James Hawthorne; an interesting oral and written language and art activity, with safety as its theme, by Robert Bridges, and concluding the program was, said emcee Kalinin, "the latest thing in TV technicolor and the narrators," who included: Dallas Affolter, Bob Armstrong, Bob Sims, Neil Lundy, Jane Kenedy, Roberta Baldetti, DeWayne Soares, Bob Yonan, Ray Magnuson, Marvin Abraham, Jack Plunkett.

Jefferson School District, was the only district who brought students to the assembly as a visual demonstration of what was actually being done in the Crocker School. The only other student participants in the county, were a group of students who presented a well directed safety play and song activity, from Turnbull School in San Mateo. Many favorable comments reached the ears of parents and Crocker Safety Chairman, regarding the fine citizenship and qualities of initiative shown by these students presenting their activities on strange territory and entirely unfamiliar with surroundings. They were unsupervised, during their part of the program, and did a superb job of conducting it themselves. Congratulations Crocker representatives! You've made your school and district very proud of you.

In their constitution work the eighth graders of room 6 learned that there were only four men in the first cabinet. The constitution itself does not mention the word cabinet. It does say that the President may ask the opinion of the heads of the executive departments. These became the "cabinet."

William Walker has transferred to Reno, Nevada.

The students of room 1 are beginning the study of interest problems, and those who do have school bank accounts are very interested in finding out exactly how interest is determined by the bank.

Geometric drawings were the projects of the seventh graders during their art period and with the use of compasses and rulers some excellent work was done. Dona Carlisle, James Rector, Luis Colorado, Carolyn Saumer, and Vera Castellano did beautiful work on their designs.

Four students from room 5 went to San Mateo Tuesday to show their safety charts. They were: Sharon Rather, Shirley Evans, Dick Hopman, and Robert Pool.

This week the class has been reviewing different parts of the work covered this year in that next week they will have their achievement tests.

Boys and girls of the seventh grade, room 6, have been introduced to compound interest in arithmetic. They have found that when mother and dad buy a house without paying cash that a great deal of money is spent for the house in addition to the sum charged.

Last week room 4, sixth grade, saw a splendid movie called, "Youth Takes To Wings." It consisted of a number of very simple experiments in relation to flight. The children were delighted as they saw model airplanes, gliders,

Exams For West Point, Annapolis To Be Held July 17

Competitive examinations for West Point and Annapolis will be held on July 17, Congressman Jack Z. Anderson announced today.

The July examinations, conducted by the Civil Service Commission, will determine candidates for appointment to the academies in 1951, and all applications must be in Anderson's office in Washington, D. C., by June 1st.

At this time, Anderson said, it appears there will be one vacancy at Annapolis and one at West Point. One principal and three alternates will be appointed for each vacancy on the basis of the competitive examination.

Age limits for candidates are: Naval Academy, must have reached 17th birthday on April 1, but must not have reached 21st birthday on April 1 of the year of entering the academy. For the Military Academy, candidates are eligible from the day they are 17 until the day they become 22 years of age.

Young men interested in these appointments should write at once to Congressman Jack Z. Anderson, House Office Building, Washington, D. C., for details.

and all types of aircraft.

One interesting experiment demonstrated air pressure. A small amount of water was heated in a gallon can. Then the cap was put on tightly. As the can colled off, it began to bend inwardly as if it was crushed by some tremendous force. That force was the air pressure which was now greater on the outside than on the inside of the can.

Room 3 is sorry to have lost two members of their class. Billy Clarke has moved with his family to Livermore, where his father has been transferred. Grant McNichols has gone to Pittsburgh, Pensylvania. He will return, but not before the end of the term.

TROUT ANGLERS HAVE LUCK

Trout anglers enjoyed some first-rate sport during the past few days along the waters of the Kern River in Kern County, reports the National Automobile Club. Most of the smaller streams in this area are fairly well fished out by now.

Woodrow Wilson PTA Entertained By Student Body

Highlighting the regular meeting of the Woodrow Wilson PTA on Tuesday, May 16, a talented group of students entertained the members and received a hearty round of applause for their efforts.

The accordian numbers played by Donie Aiello were excellently done as was th piano duet rendered by Earlene Durrett and Nancy Goldkuhl. Jimmy Tate's performance of the Highland Fling, followed by his brother Billy's Scotch Sword dance was a pleasing addition to the afternoon's entertainment. The boys were appropriately attired in Scotch garb and made a handsome appearance.

During the course of the regular business meeting, the members voted to purchase dishes to be used for service at PTA meetings, said purchase to be made by Mrs. James Snell and Mrs. William Bradshaw.

The meeting closed following the serving of refreshments by Mrs. Joseph Ausano.

The next regular meeting will take place Tuesday, September 19.

HAVE A LOOK AT CABLE

Battery terminal corrosion has one effect that often escapes attention until it results in a roadside stall, according to the National Automobile Club. That is its tendency to eat the cable connection. A motorist recently had the terminals of the car battery cleaned. No inspection of the cable was made. A few hours later, right at the height of his satisfaction with a job well done, the cable connection with the terminal broke. A new unit was necessary. Considerable trouble and expense might have been saved had inspection been a part of the cleaning work.

HOW TO FIX IT — By Harold Arnott

BED TABLE FOR SICK CHILD

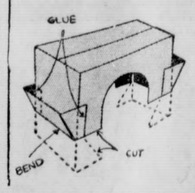

HERE'S AN IDEA THAT COULD MAKE A HIT WITH A SMALL CHILD WHO IS CONVALESCING: USE THE BOTTOM OF A CARDBOARD BOX FOR A TABLE TOP BY CUTTING THE SIDES INTO ARCHES SO THE BOX WILL FIT OVER THE CHILD'S LEGS. THE ENDS CAN BE CUT AND BENT UPWARD TO SERVE AS POCKETS FOR TOYS AND BOOKS.

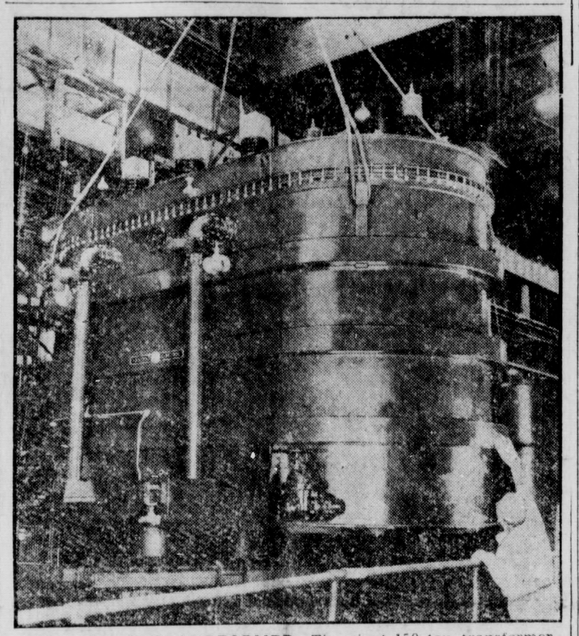

YOU CAN ADD A ROPE HANDLE TO BOTH ENDS IF YOU WISH, AND BRIGHTEN IT WITH PAINT, IF DESIRED.

STRING HOLDER

A PINT ICE CREAM CONTAINER CAN BE CONVERTED INTO A CUTE HOLDER FOR A BALL OF STRING. SKETCH THE FACE WITH INDIA INK, AND FORM THE EARS BY SLIPPING 2 POULTRY MARKERS INTO HOLES ON OPPOSITE SIDES OF THE CARTON. PUT THE STRING INSIDE, AND FEED IT THROUGH A HOLE IN THE LID.

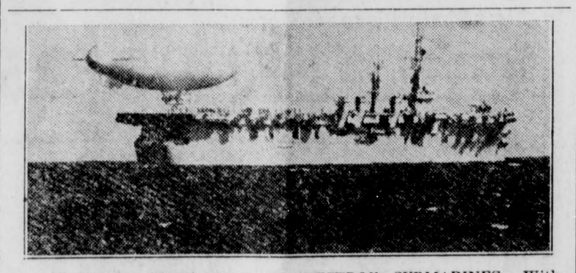

NEW GIANT TRANSFORMER—The giant 150-ton transformer, most powerful ever built by the General Electric Company, is hoisted from the test pit at Pittsfield, Mass. Improved design has made possible a 25 per cent reduction in size, making it easier to handle than earlier models.

HUNTER - KILLER TEAM TO DESTROY SUBMARINES —With the advent of post-war improvements, such as the snorkel underwater breathing device, the submarine has become an increasingly difficult target. In recognizing the seriousness of this problem the U. S. Navy is improving anti-submarine warfare weapons and tactics. Aircraft, including blimps, may operate from carriers of an anti-submarine task force. Airships fly around the clock, landing on deck of the carrier twice daily to shift combat crews, refuel and replenish stores. (Official Department of Defense Photo)

NO FAIR WEATHER CHURCHMEN HERE—U. S. Army chaplains held services regularly for the troops during "Exercise Sweetbriar," joint United States-Canadian Army and Air Force maneuvers along the Alaska-Yukon border deep in the Arctic zone. Buried in the snow is this quonset chapel at Camp McCrae near Whitehorse, Alaska.

"GUIDE DOGS WATCH THEIR WEIGHT, TOO"

Guide dog Valle looks on approvingly as pretty Joan Quigley records the weight of little Radar, a prospective member of next year's crop of guide dogs. Carefully documented records of all puppies raised by Guide Dogs for The Blind, Inc., are kept of their development. Guide Dogs for The Blind, Inc., which produces those beautifully trained guide dogs and gives them without cost to blind people, is now conducting its annual membership campaign, seeking $50,000 to finance this year's operations.

Judge Rapsey Speaks Tonight

"The Things that are Caesar's" is the subject of an address which Judge Rudolph A. Rapsey will deliver before the study club of the Cathlic Daughters of America in Windbreaker hall, South San Francisco, on Thursday evening, May 18.

Judge Rapsey, who presides over first township county court, has long been a student of ancient history and in his address will outline the heritage left by the Roman Emperor. Judge Rapsey's address is slated for 8 o'clock p.m.

DINOSAUR CANYON

Dinosaur Canyon, located sixty miles north of Flagstaff in Arizona, is reported by the National Automobile Club to be flanked by immense rocks on which are found tracks of the dinosaur.

TRY STARTER SWITCH

It is unwise to always blame the battery when the start seems dead, states the National Automobile Club. It may be that the starter switch is not making a firm contact. The switch is located on top of the starter. If pressed and it fails to respond, look elsewhere for the trouble.

Hempstead States Issues Involved

O. B. Hempstead, San Mateo county assessor, who seeks reelection at the polls on June 6, this week restated his belief that the business of the assessor's office should be conducted on a policy of "fairness to all."

He said that it has always been his objective since being appointed to the Assessor's job in 1948 by the present board of supervisors, to see that the state laws under which his office functions be carried out faithfully, impartially and justly.

"Good government," the incumbent assessor said, "can only be had if the voters are willing to maintain men in office who are honest and sincere in their efforts to see that the regulations under which all government departments operate are faithfully adhered to."

CLEANLINESS HELPS

Blindness which drives experience when traveling on crowded highways at night is not due entirely to bad adjustment of the other fellow's headlights, reports National Automobile Club. A dirty windshied does much to magnify the serious effects of glaring lights.

OREGON'S LUMBER PRODUCTS

Oregon's forest and lumber products are reported by the National Automobile Club to have an estimated value of more than seven hundred million dollars annually.

- Resident of San Mateo County for 26 years
- Veteran and family man

WHITMORE'S STATEMENT: "I am sincere in my ambition and desire to bring modern methods and a business-like administration to the all-important office of Sheriff if elected by the people of San Mateo County. I pledge an administration built on the foundation of JUST, FAIR and EQUAL enforcement of ALL laws for the best interests of ALL our citizens. I realize and understand the necessity for an evenly balanced law enforcement program."

FOR SHERIFF - SAN MATEO COUNTY
EARL B. WHITMORE X
Primary Election Tuesday, June 6, 1950

Kirste Steps Up Campaign

Pointing to the record of efficient, economical and courteous service she declares her office has established, County Recorder Ruth Kirste today is intensifying her campaign to retain her office at the June 6 election.

Recorder Kirste reported she has received widespread endorsements and support from every section of the county.

In addressing community, civic, women's and other organizations, Miss Kirste said she believes the taxpayers of the county are entitled to the very best service a public official can give at a minimum of cost.

She explained that her office is not only self-supporting, but this year will show a gain of $50,000 which will be turned back to the county treasury for use in helping to keep the tax rate down. She added this is made possible by careful administration of her office with the fees collected for rerecording documents. She estimated her office will record more than 60,000 papers of various types this year.

LOOK FOR SPARE FUSE

A check of the fuse set-up in the car will likely disclose a spare is carired in a pair of clips designed especially for that purpose, reports the National Automobile Club. A check at the block attached to the lighting switch immediately behind the instrument panel may prove worth while, for the spare may come in handy some time.

LIGHTS WARN

If the lights on the car suddenly start brightening and dimming, the National Automobile Club reports that it indicates a loose connection which may result in a short circuit. A short may blow all the light bulbs at once.

SLIPPING FAN BELT

A slipping fan belt should not be allowed t ogo unchecked, declares National Automobile Club. In the case of many cars, the water pump also is driven by the belt and unless the latter is functioning properly it means a doubly bad effect, with both of the important units of the cooling system thrown out.

Pueblo, Colorado, has been termed the "Pittsburgh of the West."

TROUT SEASON OFF TO BAD START

Trout season got off to a bad start in Inyo County, according to the National Automobile Club. Cold weather kept the catch down to a few fish for a few fishermen on most streams.

NO PLACE FOR TEMPERAMENT

Our streets and highways are no place for temperament, warns the National Automobile Club. The driver who loses his temper while at the wheel has taken a very unhealthy step in the direction of losing his life.

C.C.P.T. School Of Information To Meet May 18

First spring term meeting of the annual seventeenth district CCPT school of information will convene in the San Mateo Congregational church at Tilton avenue and San Mateo drive on Thursday morning, May 18, with registration at 9:30 a.m.

Mrs. Joseph S. Hook of Culver City, state publications and emblems chairman, will present a procedure talk during the morning and, as editor of "California Parent-Teacher," will assist with the magazine conference. Mrs. G. J. Sierex of San Carlos will preside for business of the sessions.

Lunch reservations are requested from the associations by Monday, May 15, and should be sent to Mrs. Erwin Schmidt in Daly City, Mrs. P. W. Eschenauer in San Mateo, or Mrs. Charles Byram in Redwood City.

Barn Dance Friday, May 19

A barn dance for young and old is to be held by Sheridan PTA Friday, May 19, at 8 p.m., in the social hall of the Ocean View Community church, at 146 Broad street.

Folk dancing and ballroom dancing will be featured. The folk dancing will be directed by Mrs. Ida Krause, a member of the "Gate Swingers."

Age limit is from 10 years to 100. Children must be accompanied by their parents. The "Snack Bar" will sell sandwiches and beverages. Proceeds from the dance are to be used to help meet the budget.

Roosevelt Draws Large Following

James Roosevelt smashed all attendance records during the last week on his street-orner campaign for Governor and the battle for votes in the June 6 primary reached the point where the police had to be called out to control traffic.

In just the first three days, Roosevelt's street-corner meetings in Northern California drew 21,600 persons in 19 stops, which had already shattered his previous record of 19,900 listeners in a regular five-day tour, and he still had a full day to go.

Biggest crowd of his San Francisco appearance was that at California and Montgomery Streets in the downtown section. A police cordon had to block off traffic around the crowd, estimated at 4,800, which the San Francisco News reported packed the street "from wall to wall."

Answering the present Governor's statement that "problems in government are not solved by magic," Roosevelt told his San Francisco audience it was "not magic to talk about doing something about the 500,000 unemployed . . . about school needs . . . about the need for stopping the ever-increasing costs of all public utilities . . . or the need for better transportation at lower costs. Things that may see magic to some people," he said, "are ordinary common sense to others."

STEERING LUBRICATION

The steering mechanism of any automobile has many moving parts, gears, pins, tie-rod, declares the National Automobile Club. The necessity for lubricating them is stressed in every lubrication chart ever devised. In fact, these charts show that certain parts of the steering move so constantly as to require lubrication attention at mileage intervals much shorter than those for numerous other parts of the vehicle. The lesson of this part of the instruction book is that the way to obviate expensive repairs at the end of 20,000 or 25,000 miles of car service is to follow its suggestions with extreme literalness.

The largest stand of red spruce is in the Great Smoky National Park in North Carolina.

Reservists Start Active Duty

More than 600 Reserve officers and airmen of the San Francisco Bay Area begin two weeks of active duty with the 2346th Air Force Reserve Training Center at Hamilton Air Force Base beginning May 14.

During their two weeks of active duty they will be trained in all phases of up-to-the-minute Air Force procedures and techniques. The Base hospital will train technicians and aid men from the Reserve Wing's Medical Group. Certain Reservists will coordinate their training with that of the Base Communications Squadron where they will get intensive training in air-to-ground and ground-to-air radio and radar techniques.

Daly City-Colma Reservists who will participate in the short active duty tour are:

Lt. Robert S. Capps, 35 Woodrow street; Lt. Wendell J. Robertson, 748 87th; Sgt. Orlando B. Riggs.

Camping Limits Established For Summer

The Division of Beaches and Parks from its Sacramento Headquarters Office today released information on the camping limits to be established for the summer season in the mor popular parks of the California State Park System.

These limits are annually established by the Park authority according to the approved rules and regulations of the California State Park Commission. Limiting the period which any one camper may occupy tent or trailer space will enable a greater number of persons to enjoy the attractive features and facilities of the parks involved. Mr. Earl P. Hanson, Acting Chief of the Division of Beaches and Parks stated today that "a 15-day limit will be placed on the following areas."

Richardson Grove State Park—June 20 to September 10.
Stephens Grove State Park—June 20 to September 10.
Williams Grove State Park—June 20 to September 10.
Burlington Campground—June 20 to September 10.
Mill Creek Redwoods State Park—June 20 to September 10.
Armstrong Redwoods State Park—May 15 to September 15.
Tahoe Campgrounds State Park—June 1 to September 15.
D. L. Bliss State Park—June 1 to September 15.
Calaveras Big Trees State Park—June 1 to September 15.
Seacliff Beach State Park—June 1 to October 1.
New Brighton Beach State Park—June 1 to September 1.
Big Basin Redwoods State Park—June 1 to September 1.
Samuel P. Taylor State Park—June 1 to September 1.
Pfeiffer Big Sur State Park—June 1 to September 15.
Carpinteria Beach State Park—June 1 to September 15.
San Clemente Beach State Park—June 1 to September 7.
Doheny Beach State Park—June 1 to September 7.

The more than 90 units of Beaches, Parks, and Historical Monuments are anticipating an increase in visitors over the past year, and rangers and other personnel have been busy during the winter months improving facilities for public use of these areas.

"As an aid to persons wishing to plan their summer vacations," Mr. Hanson continued, "a free folder entiltled 'California's Invitation to Outdoor Recreation' may be obtained by dropping a card to Division of Beaches and Parks, 1211 16th Street, Sacramento 14. Contained in this folder are the rules and regulations."

It is desirable for visitors to acquaint themselves with these regulations so as to help preserve the parks in as natural a state as possible. "This folder likewise," Mr. Hanson concluded, "will be a value to persons seeking some of the lesser known park areas that have a charm equal to or greater than many of the better known parks."

SM County Offers Variety Of Jobs

Several positions are now open with the civil service commission of San Mateo county.

Examinations for the various jobs will be held as indicated below. To qualify for the positions, an applicant must be a citizen of the United States, and in some cases have resided in San Mateo county for at least one year preceding the date of examination.

Following are the jobs as listed by the commission:

Custodian foreman; $210 to $252; May 25, closing date for filing; examination in Redwood City, June 3.

Park attendant; $201 to $252; June 3, closing date for filing; examination to be held in Redwood City, June 17.

Custodian; $190 to $238; closing date still open; examination date still open.

Pantryman; $190 to $238; May 25, closing date for filing; examination in Redwood City, June 3.

Criminal Identification Technician; $297 to $371; June 10, closing date for filing; examination in Redwood City, June 24.

Assistant dietician; $225 to $281; May 25, closing date for filing; examination to be held in Redwood City, June 3.

Agricultural Inspector; $266 to $332; June 1, closing date for filing; examination to be held in Redwood City, June 10.

Administrative assistant; $281 to $351; June 3 closing date for filing; examination to be held in Redwood City, June 17.

Complete information on all these positions may be obtained by writing the San Mateo county Civil Service commission, Redwood City.

The Zinfandel grape has been called "a mystery among grapes" because its origin is Europe is unknown.

PRINCESS TALKS WITH WORKMEN—Princess Elizabeth chats with workmen at Chawley in Sussex where she cut the official tape to open a new road. The workmen seem to be enjoying their chat with the heir apparent to England's throne.

SOCIAL SECURITY

By E. J. FOLEY

Each week in this space we shall present an article by Edward J. Foley, manager of the Social Security Administration, 42 North B. Street, San Mateo.

These articles will describe the operations of the Old-Age and Survivors Insurance Program of the Social Security Act. Any questions you have regarding Old-Age and Survivors Insurance should be directed to that office in San Mateo. The office is open from 9:00 to 5:00, Monday through Friday and the telephone number is Diamond 4-6804.

For convenience of residents living in the southern part of the county their field representative is at the Court House in the Veterans Service Office in Redwood City each Thursday from 11:30 until 1:00, and for those residents in the northern part of the county the representative is at the Employment Office in South San Francisco from 11:30 until 1:00 every second and fourth Wednesday. He is also at the City Hall in Daly City from 2:00 until 3:00 every second and fourth Wednesday.

Your editor has asked me to write a series of short weekly columns, to tell the intimate story of old-age and survivors insurance in words that any-one can understand.

The purpose of the columns is two-fold. First, to inform you of the federal social security program that provides benefits to aged insured workers and their families when the worker retires, and to members of the family when the breadwinner dies. Second, to tell you of your rights under this insurance, so that you and your family can reap the full benefits it has to offer.

The social security field office which serves San Mateo county is located at 42 North B street, San Mateo. It has three main functions. They are:

1. Handling all types of claims for old-age and survivors insurance benefits. No benefit may be paid until the qualified person files an application.

2. Issuing new and duplicate social security account number cards.

3. Assisting workers in commerce and industry to check their social security records, to make sure the records kept for each worker are correct.

If you have any questions about social security, please write to our office.

Navy Offers Electronic Study

A 42 weeks course in the operation and maintenances of electronic equipment including television and radar is being offered to qualified young men by the Navy recruiting service.

This course is given at the Navy electronics school at Treasure Island, San Francisco. Young men may without obligation, take the mental and physical tests required to determine if they are qualified for this course. The electronic course is one of the many training corses offered young men under the Navy's trade school training program.

For further information on the Navy's electronic training program, visit or phone the Navy Recruiting Station, post office bldg., San Mateo. Phone DI 4-2781.

By an Act of Congress in 1862, 150,000 acres of land were donated to California to provide colleges for the "benefit of agriculture and the mechanical arts."

Education
Secured at Stanford and year of government study with Coro Foundation.

Knows Your Problem
as a long-time resident of San Mateo county.

Army and Air Force Accepting Men

The army and air force are accepting applications for immediate enlistment of qualified applicants, it was announced today by Sgt. Robert Frye, local recruiting officer.

Sgt. Frye also stated that the army has a high school training program in effect whereas high school graduates may select certain specialized schools before enlisting. This is the only branch of the service who offer this great opportunity for young men before they actually enlist. He further said that seniors who anticipate graduating with this June class should contact the San Mateo Recruiting Office and make immediate application as they may apply before graduation provided their school will furnish the recruiting office a recommendation that they will graduate.

Under the present program with the air force, at least 90% of the young men enlisting are reasonably sure of attending a technical school after completion of their basic training, Sgt. Frye said.

Sgt. Frye will be in Daly City on Monday of each week to assist any young man who wishes to enter the service. Additional information also may be obtained by visiting the army and air force recruiting station, located in the post office building, San Mateo, California.

SLIPPING FAN BELT

A slipping fan belt should not be allowed to go unchecked, declares National Automobile Club. In the case of many cars, the water pump also is driven by the belt and unless the latter is functioning properly it means a doubly bad effect, with both of the important units of the cooling system thrown out.

Kelp plants as large as redwood trees grow off the San Francisco shore.

Happy Birthdays!

Harry, the "happy baker" wishes the following local residents the best of everything on their day of days:

May 19—Flora Martinelli, 407 Santa Barbara; Mrs. A. Graucchi, 61 W. Market.

May 21—Mary Nannini, rt. 1, box 195, Colma; Elizabeth Schiandri, 823 Miller; Mrs. Milton Levitan, 1731 Louvaine drive; Bertha Lithwin, 1252 Brunswick.

May 22—Patrick Patey, 1020 Nimitz, Bette Jean Nichols, 104 Garden Lane; Ann Volkman, 49 Moltke street; Mrs. F. Esereni, 669 Miller avenue.

May 23—Davey McCohon, rt. 1, box 124A, Colma; Cecile Blume, 89 Vale street.

May 24—John H. Dennis Jr., rt. 1, box 460, Colma.

May 25—Leo Giusti, 110 School; Karen Koslosky, 313 Oak avenue; Gus Pappas, 2918 20th avenue.

Early Spanish and American explorers carved their names, missions and dates on Inscription Rock, a rock headland on the continental divide in New Mexico.
